

"Takes its place as the definitive statement of the Declaration of Independence as the embodiment of the American mind and historical experience." — *The New York Times Book Review*

AMERICAN SCRIPTURE

Making the Declaration
of Independence
JULY 4, 1776.

States of ~~the~~ ^{United} States

PAULINE MAIER

the political bands which have connected them with another, or
son, a decent respect to the opinions of mankind requires
that all men are created equal; that they are endowed by their
Creator with certain unalienable Rights, that among these are
Life, Liberty and the pursuit of Happiness.—That to secure these
rights, Governments are instituted among Men, deriving their
just powers from the consent of the governed.—That whenever
any Form of Government becomes destructive of these ends, it is the
right of the People to alter or to abolish it, and to institute
new Government, laying its foundation on such principles and
organizing its power in such form, as to them shall seem most
likely to effect their Safety and Happiness. —

American Scripture Making The Declaration Of Independence

Gerard N. Magliocca

American Scripture Making The Declaration Of Independence:

American Scripture Pauline Maier, 2012-02-15 Pauline Maier shows us the Declaration as both the defining statement of our national identity and the moral standard by which we live as a nation. It is truly American Scripture and Maier tells us how it came to be from the Declaration's birth in the hard and tortuous struggle by which Americans arrived at Independence to the ways in which in the nineteenth century the document itself became sanctified. Maier describes the transformation of the Second Continental Congress into a national government unlike anything that preceded or followed it and with more authority than the colonists would ever have conceded to the British Parliament. The great difficulty in making the decision for Independence the influence of Paine's *Common Sense* which shifted the terms of debate and the political maneuvers that allowed Congress to make the momentous decision. In Maier's hands the Declaration of Independence is brought close to us. She lets us hear the voice of the people as revealed in the other declarations of 1776 the local resolutions most of which have gone unnoticed over the past two centuries that explained, advocated and justified Independence and undergirded Congress's work. Detective like she discloses the origins of key ideas and phrases in the Declaration and unravels the complex story of its drafting and of the group editing job which angered Thomas Jefferson. Maier also reveals what happened to the Declaration after the signing and celebration how it was largely forgotten and then revived to buttress political arguments of the nineteenth century and most important how Abraham Lincoln ensured its persistence as a living force in American society. Finally she shows how by the very act of venerating the Declaration as we do by holding it as sacrosanct akin to holy writ we may actually be betraying its purpose and its power.

American Scripture Pauline Maier, 1999 Pauline Maier one of today's foremost authorities on the American Revolution shows the 1776 Declaration of Independence as both the defining statement of national identity and the moral standard by which Americans live as a nation. It is truly American scripture and Maier tells us how this came to be from the Declaration's birth in the hard tortured struggle for independence from Britain to the ways in which the document itself is sanctified in the nineteenth century. Delving back into English history from the Magna Carta in 1215 to the trial of Charles I in 1649 Maier reveals the origins of key ideas and phrases she unravels the complex story of its drafting and editing and shows what happened to it after the signing its part in nineteenth century political wars and how Abraham Lincoln ensured its persistence as a living force in American society.

America on the World Stage Organization of American Historians, 2008-04-02 A fresh perspective on United States history emphasizing a global context. **American Holy Days, Second Edition** Boardman W. Kathan, 2023-11-30 Our national holidays have been trivialized by merchandising consumerism and long weekends. What do you know about the origins of the national holidays of the United States? Boardman Kathan presents the persons and events that each of our holy days commemorates. In so doing he explores the shaping of American history and identity revealing often misunderstood parts of our national story from a new approach. Each chapter looks at the many books and research written about the events.

commemorated by these holidays showing their relevance for today Kathan includes discussion of the spiritual or religious dimensions of these national observances pointing out that although the United States was not founded as a Christian nation on biblical principles people throughout American history have perceived a divine guidance or what George Washington called providential care This book reflects back on the original meaning of these days and seeks to inspire renewed forms of celebration commemoration and observance Celebrating patriotic holidays can bring us together as a people especially in times of stress and conflict Schools religious institutions patriotic organizations readers interested in history in short the general public will find this an enjoyable aid for recalling our history reclaiming our values and traditions and restoring a sense of community

American Constitutionalism Heard Round the World, 1776-1989 George Athan

Billias,2009-08-01 Winner of the 2010 Book Award from the New England Historical Association American constitutionalism represents this country s greatest gift to human freedom yet its story remains largely untold For over two hundred years its ideals ideas and institutions influenced different peoples in different lands at different times American constitutionalism and the revolutionary republican documents on which it is based affected countless countries by helping them develop their own constitutional democracies Western constitutionalism of which America was a part along with Britain and France reached a major turning point in global history in 1989 when the forces of democracy exceeded the forces of autocracy for the first time Historian George Athan Billias traces the spread of American constitutionalism from Europe Latin America and the Caribbean region to Asia and Africa beginning chronologically with the American Revolution and the fateful shot heard round the world and ending with the conclusion of the Cold War in 1989 The American model contributed significantly by spearheading the drive to greater democracy throughout the Western world and Billias s landmark study tells a story that will change the way readers view the important role American constitutionalism played during this era

American Niceness Carrie Tirado Bramen,2017-08-14 Cover Title Page Copyright Dedication Epigraphs Contents Introduction

We the Voters Lori Ringhand,2026-03-03 Many Americans today are frustrated unsettled or just plain perplexed about the rules governing our democracy and who gets make them Concern about rigged systems confusion about the Electoral College and uncertainty about who s in charge of it all have shaken our faith in elections as a reliable way to peacefully transfer political power in a deeply fractured nation In We the Voters Lori A Ringhand brings a fresh perspective to these issues In straightforward and accessible language she explains how certain questions who we the people are how they should be represented and who gets to make the rules governing our elections have always lurked just beneath the surface of our nation s most contentious fights about how our elections should work When there are clear answers to these questions this book explains them But its primary purpose is to help readers

understand why so many of these questions are genuinely difficult and how decisions made by past generations both structure and empower our choices today Using constitutional text history and landmark Supreme Court decisions Ringhand shows how the Constitution often serves less as rigid rule book for our elections and more as a general framework empowering each generation of Americans to engage for themselves the important questions underlying our electoral system by interrogating what is and isn't working for them *We the Voters* is pragmatic but also optimistic In the end the Constitution leaves the defense of our democracy up to us it equips us with the tools we need to question debate and ultimately change how our system of self government works This book urges us to take up that call with vigor *Thomas Jefferson and American Nationhood* Brian Steele, 2012-07-30 This book identifies Jefferson as an American nationalist and describes his assessment of American character and democratic promise *Launching Liberalism* Michael P. Zuckert, 2002 In this volume prominent political theorist Michael Zuckert presents an important and pathbreaking set of meditations on the thought of John Locke In more than a dozen provocative essays many appearing in print for the first time Zuckert explores the complexity of Locke's engagement with his philosophical and theological predecessors his profound influence on later liberal thinkers and his amazing success in transforming the political understanding of the Anglo American world At the same time he also demonstrates Locke's continuing relevance in current debates involving such prominent thinkers as Rawls and MacIntyre Zuckert's careful reconsideration of Locke's role as launcher of liberalism involves a sustained engagement with the hermeneutical issues surrounding Locke an innovator who faced special rhetorical needs in addressing his contemporaries and the future It also involves highlighting the novelty of Locke's position by examining his stance toward the philosophical and religious traditions in place when he wrote Zuckert argues that neither of the dominant ways of understanding Locke's relations to his predecessors and contemporaries is adequate he is not well seen as a follower of any orthodoxy nor of any anti orthodoxy of his day either philosophical or theological He found a path to innovation that was philosophically radical but which was also able to connect with prevailing and accepted traditions That allowed him to exercise a practical influence in history rarely if ever matched by any other philosopher Zuckert illustrates that influence by showing how William Blackstone used Lockean philosophy to reshape the common law and how the Americans of the eighteenth century used Lockean philosophy to reshape Whig political thought Zuckert argues that Locke's philosophy has continuing philosophic and political force a proposition he demonstrates by arguing that Locke presents a form of political philosophy superior to that of the liberal theorists of our day and that he has solid rejoinders to contemporary critics of liberalism **The Social Contract in America** Mark Hulliung, 2007 The first comprehensive examination of the social contract's role in American political development Traces the history of the contract the closest thing we have to a common philosophy from its role in the Founding up to current day debates and charts its rise and demise in influence over American political thought **Pursuing the American Dream** Calvin C. Jillson, 2004 Marked by continuity renewal and expansion

the image of the Dream Jillson contends has been remarkably constant since well before the American Revolution an image of a nation offering a better chance for prosperity than any other His book reveals how that Dream has motivated our nation s leaders and common citizens to move sometimes grudgingly toward a more open diverse and genuinely competitive society

One Day in History: July 4, 1776 Rodney P. Carlisle,2009-10-06 On a summer day in July 1776 in Philadelphia Pennsylvania the world changed forever On July 4 thirteen English colonies on the continent of North America decided to declare themselves free and independent states united in their purpose of forming a new nation The approval of that decision on July 4 represented the culmination of lengthy debates As the delegates filed into the State House on Thursday July 4 tempers were flaring Despite entreaties from others the New York delegation continued to balk They had no instructions from the state and could vote against the resolution Furthermore it looked as if the two delegates from Delaware were deadlocked Unless Caesar Rodney arrived in time for the vote July 4 1776 promised to be just another day of delay and political wrangling One Day in History July 4 1776 is a look at how one day changed the course of history in this case a day that produced a new nation Grave consequences beyond the Declaration of Independence flowed from the day s events This reference sets out in 100 articles written by noted historians the details of the day in history its causes and consequences and how the actions of July 4 resonated throughout the colonies The words and logic of the declaration approved on July 4 as well as larger events surrounding that decision shaped the destiny of the world creating a new nation that would build on the principles enumerated in the document The day is examined in its historical context with articles ranging from African Americans to Colonies or States to Daily Life in 1776 and Dunlap s Broadsides Here in one complete reference is a you were there experience of what it was like to be in Philadelphia on July 4 1776 Moreover this book represents the cumulative effect of one day in history the United States as we know it today some 230 years later

The Making of the American Republic, 1763-1815 Paul A. Gilje,2006 Appropriate for studying the Revolution while holding the early republic as its focal point The Making of the American Republic includes detailed portraits of Franklin Washington and Jefferson as well as ample discussion of blacks women and Native Americans Jacket

The American Promise, Volume I: To 1877 James L. Roark,Michael P. Johnson,Patricia Cline Cohen,Sarah Stage,Susan M. Hartmann,2012-03-01

Andrew Jackson and the Constitution Gerard N. Magliocca,2007 Focuses on key Supreme Court battles during Jackson s tenure states rights the status of Native Americans and slaves and many others to demonstrate how the fights between Jacksonian Democrats and Federalists and later Republicans is simply the inevitable and cyclical shift in constitutional interpretation that happens from one generation to the next

The American Archivist ,2001 Includes sections Reviews of books and Abstracts of archive publications

Patriotism Is Not Enough Steven F. Hayward,2017-02-21 This book is a lively intellectual history of a small circle of thinkers especially but not solely Harry Jaffa and Walter Berns who challenged the mainstream liberal consensus of political science and history about how the American Founding should be understood Along the way they

changed the course of the conservative movement and had a significant impact on shaping contemporary political debates from constitutional interpretation civil rights to the corruption of government today Most importantly these thinkers explain the deep reasons for patriotism why we should love America not just because it is our country but because it is a free and just country

Lincoln & Davis Brian R. Dirck, 2001 As Savior of the Union and the Great Emancipator Abraham Lincoln has been lauded for his courage wisdom and moral fiber Yet Frederick Douglass's assertion that Lincoln was the white man's president has been used by some detractors as proof of his fundamentally racist character Viewed objectively Lincoln was a white man's president by virtue of his own whiteness and that of the culture that produced him Until now however historians have rarely explored just what this means for our understanding of the man and his actions Writing at the vanguard of whiteness studies Brian Dirck considers Lincoln as a typical American white man of his time who bore the multiple assumptions prejudices and limitations of his own racial identity He shows us a Lincoln less willing or able to transcend those limitations than his more heroic persona might suggest but also contends that Lincoln's understanding and approach to racial bigotry was more enlightened than those of most of his white contemporaries Blazing a new trail in Lincoln studies Dirck reveals that Lincoln was well aware of and sympathetic to white fears especially that of descending into white trash a notion that gnawed at a man eager to distance himself from his own coarse origins But he also shows that after Lincoln crossed the Rubicon of black emancipation he continued to grow beyond such cultural constraints as seen in his seven recorded encounters with nonwhites Dirck probes more deeply into what white meant in Lincoln's time and what it meant to Lincoln himself and from this perspective he proposes a new understanding of how Lincoln viewed whiteness as a distinct racial category that influenced his policies As Dirck ably demonstrates Lincoln rose far enough above the confines of his culture to accomplish deeds still worthy of our admiration and he calls for a more critically informed admiration of Lincoln that allows us to celebrate his considerable accomplishments while simultaneously recognizing his limitations When Douglass observed that Lincoln was the white man's president he may not have intended it as a serious analytical category But as Dirck shows perhaps we should do so the better to understand not just the Lincoln presidency but the man himself

The American Experiment Steven M. Gillon, Cathy D. Matson, 2009 Approaching the American history survey course in an innovative way this mid length text features a more expansive definition of political history that includes all forms of politics not just electoral politics while simultaneously incorporating cultural history With the specific aim of expanding history beyond elite actors The American Experiment emphasizes everyday work family life customs and objects of cultural history to address its four themes the role of government American identity the broad concept of culture and America and the world The Third Edition features an enhanced thematic approach that helps students understand America's development as an experiment in politics culture and identity within a global context *After the Fact* James West Davidson, Mark H. Lytle, 2004 Accompanying CD ROM offers sources directly related to the text's chapters including documents images maps

charts and documentaries Three chapters from past editions of the text are also included

American Scripture Making The Declaration Of Independence Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories.

Another reliable platform for downloading American Scripture Making The Declaration Of Independence free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading American Scripture Making The Declaration Of Independence free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading American Scripture Making The Declaration Of Independence free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading American Scripture Making The Declaration Of Independence. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading American Scripture Making The Declaration Of Independence any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About American Scripture Making The Declaration Of Independence Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. American Scripture Making The Declaration Of Independence is one of the best book in our library for free trial. We provide copy of American Scripture Making The Declaration Of Independence in digital format, so the resources that you find are reliable. There are also many Ebooks of related with American Scripture Making The Declaration Of Independence. Where to download American Scripture Making The Declaration Of Independence online for free? Are you looking for American Scripture Making The Declaration Of Independence PDF? This is definitely going to save you time and cash in something you should think about.
