Travesty of Justice Don Brown, 2018-03-31 The true story of the most despicable political prosecution in American military history in the book that won a presidential pardon On the morning of July 2 2012 in the most dangerous warzone in the world Lieutenant Clint Lorance took command of his small band of American paratroopers at the spearhead of the American War in Afghanistan Intelligence reports that morning warned of a Taliban ambush against Lorance s platoon Fifteen minutes into their patrol three military age Afghan males crowded on a motorcycle and sped aggressively down a Taliban controlled dirt road toward Lorance s men Three weeks earlier outside the massive American Kandahar Airfield Taliban terrorists struck by motorcycle

riding into a crowded area detonating body bombs and killing twenty two people Sixty three days before that three Ohio National Guard soldiers were murdered in another motorcycle suicide bombing Suicide by motorcycle had become a common Taliban murder tactic against Americans It was a split second decision Either open fire and protect his men or ignore the speeding motorcycle and pray his men weren t about to get blown up Lorange ordered his men to fire When no weapons were found on the Afghan bodies the Army betrayed one of its finest young officers and prosecuted Lorange for murder Hiding crucial evidence from the military jury and ordering Lorange s own men to testify against him or face murder charges themselves the Army railroaded Lorange into a 20 year prison sentence at Fort Leavenworth Updated with breaking news plus a copy of the pardon Gripping A true life thriller a page turner The Baltimore Sun This one will keep you planted in your reading chair from start to finish Sun Sentinel *Through the Crosshairs* Roger Stahl,2018-06-21 Now that it has become so commonplace we rarely blink an eye at camera footage framed by the crosshairs of a sniper s gun or from the perspective of a descending smart bomb But how did this weaponized gaze become the norm for depicting war and how has it influenced public perceptions Through the Crosshairs traces the genealogy of this weapon s eye view across a wide range of genres including news reports military public relations images action movies video games and social media posts As he tracks how gun camera footage has spilled from the battlefield onto the screens of everyday civilian life Roger Stahl exposes how this raw video is carefully curated and edited to promote identification with military weaponry rather than with the targeted victims He reveals how the weaponized gaze is not only a powerful propagandistic frame but also a prime site of struggle over the representation of state violence **Obituaries in the Performing Arts, 2019** Harris M.
