

American Sniper

INTRODUCTION

BRIEF BIOGRAPHY OF CHRIS KYLE

Chris Kyle was born and raised in Texas. As a young man, he signed up for the military, and trained to be a Navy SEAL—an elite branch of the military whose members are skilled at fighting in the sea, land, and air. Kyle married shortly before deploying to Iraq in 2003. During his subsequent tours of the Middle East with the SEALs, Kyle became the deadliest sniper in American history, shooting well over one hundred alleged insurgents. After many years of arguing about it with his wife, Kyle decided to retire from the SEALs in 2009. Afterwards, he penned the memoir *American Sniper*, wrote a history of guns in America's *American Gun* (2013), founded a sniper training school, and became an active participant in programs aimed at helping veterans with serious PTSD. Kyle was murdered by a mentally disturbed veteran in 2013.

HISTORICAL CONTEXT

The one overarching historical event in *American Sniper* is the War on Terror, the term often applied to America's involvement in fighting terrorism around the world, especially in the Middle East, in the 2000s. On September 11, 2001, terrorists flew airplanes into the World Trade Center and the Pentagon; afterwards, an anti-U.S. terrorist group called al-Qaeda claimed responsibility for the attack. In response, the American government, at the time presided over by President George W. Bush, sent troops to the Middle East. However, the Bush administration faced wide criticism for sending troops primarily to Iraq and Afghanistan, countries whose connection to the 9/11 attacks was, to say the least, vague. In Iraq, U.S. forces overthrew the dictator Saddam Hussein, and installed a democratic government. The War on Terror remains a highly controversial topic: some have argued that it was partly a “wrecking crew” for the Bush administration, but priority giving access to Iraq’s lucrative oil reserves. Others have argued that the War on Terror created more terrorists than it killed, since U.S. military action in the Middle East polarized the region and pushed moderate people to join anti-U.S. and terrorist causes.

RELATED LITERARY WORKS

Kyle's memoir doesn't allude to many other books, but it's worthwhile to compare it with several other memoirs about the U.S. military. In 2007, Kyle's close friend Marcus Luttrell wrote a book called *Lone Survivor* about his own experiences in the Middle East in the 2000s; it's likely that Kyle read Luttrell's book and modeled his own memoir after it in some ways. Kyle's

memoir also bears comparison with *Dispatches* by Michael Herr, a memoir about Herr's time as a war correspondent in Vietnam in the early 1970s. However, Kyle's memoir glorifies war and the act of killing, while Herr's memoir is highly critical of America's involvement in the Vietnam War, and gives a fuller account of the trauma and mental problems that soldiers experienced after fighting in Vietnam.

EXTRA CREDIT

A controversial issue, Chris Kyle remains a hero to many people; however, many regard him as a brutal, bloodthirsty, racist killer who enjoyed murdering Iraqis, whether they were insurgents or not. After Kyle's death in 2013, there were several independent reports that Kyle had boasted of shooting at black bodies during the Hurricane Katrina disaster of 2005. Kyle claimed that the U.S. government had sent him down to New Orleans to preserve order, and that he'd enjoyed shooting blacks. While there's absolutely no evidence that Kyle was ever in New Orleans at the time of Hurricane Katrina, the fact that Kyle would brag about shooting (mostly black) bodies suggests a disturbing propensity for lying and exaggerating, and an even more disturbing racist worldview.

Would you pick a fight with a professional wrestler? One of the more bizarre aspects of *American Sniper*'s publication was the lawsuit brought against Kyle by Jesse Ventura, a former professional wrestler and governor of Minnesota. In the initial copies of Kyle's memoir, there was a passage suggesting that Kyle had gotten into a fistfight with Ventura at a heavy SEAL's funeral. Kyle claimed to have punched Ventura after Ventura suggested that the SEALs deserved to “have a few” Ventura successfully sued Kyle for nearly 2 million dollars.
