**Amish Vampires in Space** Kerry Nietz, 2014-01 Jebediah has a secret that will change his world forever and send his people into space The Amish world of Alabaster calls upon an ancient promise to escape destruction They end up on a cargo ship bound for the stars But they are not the only cargo on board Some of it is alive or used to be Now with vampires taking over and closing in on the Amish refugees these simple believers must decide whether their faith depends upon their honored traditions or something even older *Amish Vampires in Space* Kerry Nietz, Jebediah has a secret that will change his world forever and send his people into space The Amish world of Alabaster calls upon an ancient promise to escape destruction Then end up on a cargo ship bound for the stars But they are not the only cargo on board Some of it is alive or used to be Now with vampires taking over and closing in on the Amish refugees these simple believers must decide whether their faith depends upon their honored traditions or something even older **Amish Zombies from Space** Kerry Nietz, 2015-04-15

First vampires in space And now zombies Really Jebediah and the others are trying to get over the horrors they faced in deep space and now this It s been five years and the Amish colony on Miller s Resolve has finally gotten settled Jeb and Sarah have a son Elder Samuel is happy not being in charge Darly has a private practice And Greels is out of jail at last But when a mysterious ship from space arrives on Resolve it unleashes a horde of undead that might spell the end of the survivors and their dreams of peace Will the specters of the past save them or seal their fate *Vampiros Amish en el Espacio* Kerry Nietz, 2020-08-15 *Dear Henchman* Alyssa Roat, Hope Bolinger, 2024-10-29 Kevin and Himari didn t plan to be heroes Henchmen and sidekicks aren t supposed to fall in love Or save the world They re supposed to brew coffee take pics of their hero or villain for social media and stay in the background That was the plan for sidekick slash frat boy Kevin and henchwoman slash tech genius Himari until a taxidermy collecting villain robs Kevin s hero of his powers and leaves Himari s villain wounded Now it s up to the sidekicks and henchmen to save the world Without powers they ll go up against the Shadow Assassins a deadly organization that can t work a PowerPoint to save their lives road trips slash kidnappings and weird initiation rituals that may or may not involve singing campfire songs Himari and Kevin will battle the odds their insecurities and a strangely polite Midwestern villain as they discover if they have what it takes to profess their love through Mexican food metaphors and save the world from a nuclear disaster The sequel to *Dear Hero* this darkly humorous chat fiction novel told entirely through texts transcriptions and direct messages goes behind the scenes of the superworld

*Dear Hero* Hope Bolinger, Alyssa Roat, 2024-10-29 There s an app for everything even meeting a new nemesis Up and coming teen superhero Cortex is on top of the world at least until his villain dumps him If he s going to save his reputation he needs a new villain to fight and fast Meanwhile the villainous Vortex has once again gotten a little overeager and taken out a hero prematurely Will any young hero be able to keep up with her Maybe she should work on finding a steady relationship with an enemy she won t kill in the first round Enter Meta Match a nemesis pairing site for heroes and villains The two match

right away and after throwing punches at each other behind coffee shops practicing their fight choreography and hiring henchmen to do their bidding mostly just getting them coffee they realize they have a lot more in common than names that annoyingly rhyme After all they're still rising through the ranks in their respective circles and their reputations need good press But not everything in the superhero world is as it seems Can a hero really trust a villain to do the right thing And can a villain trust a hero not to screw them over As darkness from the past threatens them both they may need each other for the fight to come one with much higher stakes than their choreographed meet ups on weekends Told entirely through texts transcriptions and direct messages this darkly humorous chat fiction rom com goes behind the scenes of the superworld

**The Art & Craft of Writing Christian Fiction** Jeff

Gerke,2012-06-01 Let's face it Christian fiction is fun Even if you're writing a serious minded study of man's inhumanity to man there is something exhilarating about story about creating people and worlds and events about telling a tale that keeps readers enraptured and maybe just maybe leaves them fortified in their walk with Jesus But for all of the fun it's also hard work There is skill involved in writing excellent Christian fiction There is craftsmanship to be learned And there are the long hours pounding away on a manuscript that by the time you're done with it has you convinced it's the worst piece of garbage ever penned by man That's not even talking about trying to get your book published It's a wonder anyone would choose such a way to spend otherwise useful time So maybe you put your novel away for awhile You've tried to do more sensible things with your spare moments You've attempted to be engaged with workaday matters laundry and bills But one day a new story idea will pop into your head or you won't be able to stop hearing the voice of a character demanding to be written about On that day you'll be right back where you were counting the cost of writing Christian fiction and loving it like nothing else

**One-Star Reviews** C Coville,2014-11-07 The Internet's most ridiculous product reviews A hotel guest whose toilet wasn't securely fastened to the bathroom floor A father livid that Toys R Us sent him a make believe dragon An Alan Rickman fan who loathes a bookmark for casting Snape as a villain Inspired by consumers who demand quality from a 39 cent product One Star Reviews features 150 side splitting critiques for one star worthy items and establishments From deeply disappointed reviews about the projects in Crafting with Cat Hair to scathing remarks about restaurants that serve every meal with a side of broken glass these unique evaluations are comedic gems in their own right Filled with only the best critiques the Internet has to offer One Star Reviews unleashes the snark with products and customers so ridiculous you can't help but laugh

**Dear Hades** Alyssa Roat,Hope Bolinger,2024-09-10 She's a monster He's a mortal Killing each other should be easy right When Medusa and Tiresias rise from the Underworld as twenty first century teens and meet through Persephone and Hades new dating app it seems like a second chance Dating is hard when you turn everyone to stone but dating a blind prophet may be a loophole even if he does occasionally spout dire prophecies But not everyone is pleased with an app designed to kindle romance between mortal enemies As distrust grows between the heroes monsters and gods making up the app's user base it's easier to fall into old habits than fall in love With pressure building on both sides Medusa and Tiresias accept their task kill their date no matter how much they bond over their love of dogs or the way the gods have wronged them in the past Caught amongst meddling gods murderous heroes and a classic Greek bet Medusa and Tiresias may have signed up for more than a dating profile With war brewing at the hands of the gods working together may be the only way to save mortals and monsters alike Told entirely through instant messages and transcripts this is one mythically funny romantic comedy you don't want to miss

mammalian race that resembles a cross between a human and a Terran rat Though spread across thousands of worlds mutos or rhats as they are sometimes called trace their lineage to a single dark world that orbits a ruined star Enough of that My name is Frohik and I'm a muto I've never seen the homeworld and I couldn't care less about civilization empires or space Especially space All I want is to survive in a family that sometimes forgets I exist My mother is always pregnant my dozen siblings are swarming over every available surface and my father makes plan after plan to send us all away Sure our hovel is crowded the food is sparse but at least it's home Then everything goes tails up
