**Adventist Should Know About the Shepherd's Rod** Garrick D. Augustus, 2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd's Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In What Every Seventh day Adventist Should Know about The Shepherd's Rod author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd's Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised against the Rod's message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond What Every Seventh day Adventist Should Know about The Shepherd's Rod journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism **Making Isaiah Plain** Randal S. Chase, 2011-11-30 Making Isaiah Plain is an essential new study guide for the challenging words of the man who Nephi called the Prophet and whose teachings the Savior commanded us to read A companion to the study of Isaiah in the Old Testament and in the Book of Mormon this volume is without question the most helpful guide to Isaiah available today Dr Randal S Chase a veteran CES and Institute instructor provides insights into the culture language meaning and chronology of the writings of Isaiah in a relaxed and understandable style The stories quotes examples maps and illustrations are unequalled in any other reference guide of its kind in print today Readers will find themselves gaining insights and understanding from Isaiah that have eluded them before The cover features the famous 1896 woodcut painting of Isaiah by Gustave Dore [Adventist Review](#), 2008-07 [The Gospel In The Setting Of End-Time Events](#) Leonard Philips Tolhurst, 2022-06-09 Since the beginning Seventh day Adventists have developed a high interest in Bible prophecy In addition to studying end time events early Seventh day Adventists also focused on studying and teaching distinguished doctrines such as the Second Coming the sanctuary the state of the dead the three angels messages the

Sabbath and the Ten Commandments Only after the 1888 Minneapolis General Conference did Seventh day Adventists start to give attention to the important truth of righteousness by faith This very teaching which almost split the church in 1888 has been a reason for debate and theological controversy This book was written because understanding righteousness by faith and the end time events are essential for every believer Pastor Leonard Tolhurst devotes several chapters to clearly outline what righteousness by faith is and what it is not He also addresses some difficult topics such as the human nature of Christ A person's view on whether Jesus had a sinful or sinless nature determines to a large extent his or her understanding of righteousness by faith Some chapters deal with the 2 300 day prophecy of Daniel and their interpretations by futurists and preterists The second half of the book focuses on end time events the three angels messages the latter rain the sealing Armageddon among others It ends with the Second Coming and the millennium Each chapter is filled with Bible texts Ellen G White quotes and a list of Supportive Sources for further study The book is a tremendous resource for Bible teachers ministers and church members

**Bible Study Guide: Isaiah Volume 1** Andrew J. Lamont-Turner, Step into the fierce brilliance of prophetic fire This verse by verse study of Isaiah chapters 1 to 20 opens the gates to one of Scripture's most powerful poetic and politically charged books With unapologetic clarity and prophetic urgency Isaiah confronts injustice exposes hollow religion and unveils the towering holiness of God Judah's sins are laid bare her leaders called to account and the surrounding nations warned divine judgment is not theoretical it's imminent But judgment is never the end of the story In the midst of oracles and woes flickers of hope burn with fierce promise a remnant will return A child will be born A ruler will come not with pomp but with righteousness wisdom and peace Assyria may crush empires but it is only a tool in the hands of the true King Egypt and Cush may tempt Judah's trust but salvation belongs to the Lord alone This in depth exposition walks readers line by line through every verse tracing Isaiah's warnings imagery historical setting and theology From courtroom indictments to throne room visions from the collapse of empires to the whisper of Immanuel each chapter peels back layers of ancient prophecy with modern
