**Undeniable Biblical Proof Jesus Christ Will Return to Planet Earth Exactly 2,000 Years After the Year of His Death** Gabriel Ansley,2010 Let me ask you a question you probably never pondered WHY did God create the world in 6 days Do you think God had NO logic motive or purpose behind using that specific number of days Do you think He just placed a bunch of numbers in a hat and nonchalantly drew one Or do you think the cosmos required that number of days to be completed as if God could not have created it in 2 3 5 9 12 23 or however many days Friend you should know better God can DO ANYTHING which brings us back to the original question The answer to this mystery is contained in the Bible and its gradual albeit secret uncovering in story after story leads to the stunning title of this book Undeniable Biblical Proof Jesus Christ Will Return To Planet Earth Exactly 2 000 Years After The Year Of His Death But FAR more important than merely discovering that fact this book will fully elucidate and crush all confusion concerning what a person soul MUST DO to obtain eternal life by illuminating the true spiritual meaning behind every detail of the ancient Bible stories So sit back and hold on because this book s message is going to be a life changing ride
