

A BRENT MARKS LEGAL THRILLER

A man in a dark suit stands in the center of a vast, ruined space. The floor is covered in debris, and the background shows tall, broken columns and a collapsed ceiling. The scene is dimly lit, with a warm glow from behind the man.

A Patriot's Act Kenneth Eade, 2014-09-27 Brent Marks is back in action in the second novel of the popular mystery legal thriller series by Kenneth Eade. Brent Marks whom most know from *Predatory Kill* is called upon to seek justice for an innocent client held prisoner in Guantanamo Bay. When a naturalized American citizen turns up missing in Iraq, Brent Marks fights the Goliath U.S. government with its own Constitution. Santa Barbara accountant Ahmed Khury responds to the plea of his brother Sabeen, a suspected money launderer in Iraq. Before Ahmed realizes what has happened to him, he is in Guantanamo Bay Detention Camp being subjected to torture to extract information that he doesn't have. The drama outside the courtroom explodes and when murder, corruption, and cover up enters the picture, nobody including Brent is safe. On the Hot New Release List, this Prequel to the best selling first book of the series, *Predatory Kill* 1. Best selling financial thriller 1. Best selling legal thriller 1. Best selling political thriller 1. Best selling pulp thriller. Find out critics already know Eade a lawyer by profession weaves legal dialogue, corruption, and international action to create a pacy read with echoes of Grisham, Baldacci, and Clancy nipping at his writing heels. Law issues as well as forensics and police procedures are clearly explained with such authority as to add gritty realism in and out of the courthouse but it's within the court drama that Eade really packs some punch. With some success with the first book of the series, *Predatory Kill*, this second saga looks sure to satisfy his growing base of readers. Out October 17th. SPR Review: It's all about delicate balance of power and experience something gone awry in *A Patriot's Act* and something explored through intimate descriptions. As Eade deftly juxtaposes the lives of two very different Americans experiencing two very different circumstances, he delves into the politics and processes of prisoners and military men alike, exposing the wounds of their experience and psyches and the points at which man's inhumanity stems from a worldview that dehumanizes and rips apart systems and people. D. Donovan Midwest Book Review: Kenneth Eade is a master of suspense and unexpected twists which makes *A Patriot's Act* an exciting, unpredictable page turner and a must-read for anyone who loves legal thrillers.
