Department of Transportation,1992 Irregular news releases from the National Highway Traffic Safety Administration *Close Enough to Perfect* Dan Williams,2018-07-17 Rick Harmond moves from his small hometown where he worked on his father s ranch to a bigger city for college In his cowboy boots and hat he immediately feels out of place but he refuses to let his reluctance get the better of him he s been given the opportunity of a lifetime He s been given a full ride scholarship thanks to his affinity for math One of the stipulations to receive the scholarship is that he join his college s Gamma Sigma Gamma fraternity chapter They re not the kind of people he would usually be around but he needs the scholarship farming can t pay his tuition He endures the ribbing given by his fellow pledges and the frat brothers and he also befriends a sorority sister Rosanna a popular cheerleader Rick also meets Rosanna s roommate Lorraine whose double leg amputation has confined her to a wheelchair Lorraine a former cheerleader in high school has become withdrawn even standoffish since her accident And she has good reason to be defensive Every day she gets looks of pity looks of disgust and hears people talking behind her back thanking God they re not in her position Rick is intrigued by her and finds an opportunity to get to know her He can help her with her algebra assignments and she can help him with his English assignments But soon word of his friendship with Lorraine gets back to the leaders of Gamma Sigma Gamma and a meeting is called Rick as well as his fellow pledges are told they are not to associate with undesirable people because it reflects badly on Gamma Sigma Gamma Rick then finds himself in an impossible situation he doesn t want to stop seeing Lorraine but the consequences set his world on fire How can he remain Lorraine s friend but also afford to stay in college Reviews *Close Enough to Perfect* by Dan Williams is the story of anyone who has ever been outside of the In crowd for any reason Williams has created strong characters which will resonate with our own struggles about staying true to ourselves our values and how we interact with others along the way I found myself cheering on Rick Harmond as he steps out of his comfort zone and into a culture that is too self absorbed to even notice its bad manners or even flat out rudeness During this tumultuous upheaval he has to make extremely hard choices and finds almost too late what is most important to him Jeff Dillard Amazon customer 5 star review Williams has taken the subjects of disability and difference and written about them so that anyone could see themselves in the place of the character He then evolves the characters to be more than they thought they could be It is an engaging story with likable characters which also happen to be real A great read Di Davis Amazon customer 5 star review I liked the very accurate portrayal of a young woman going through experiences in high school and college as an amputee The brutal honesty of how the public deals with her new body and how she deals with it

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
