## **Abraham Father Of Atheism Abraham Father Of Atheism:**

Abraham Father of Atheism Mohammed Musa, 2015-07-30 Dear non believer I like that when the infuriating alarm clock yells Wake up theres a challenge waiting for you today rousing you from a pleasant dream you do not smash it You simply slap the off button and head to work Lets establish this Your boss doesnt care how you view your alarm clock He or she only cares that you show up at work on time with a smile on your face Saying Scientists have figured it out There is no god and there is no need for one is common nowadays to counter Christians Muslims and Jews who turn up saying Wake up atheist Theres a challenge waiting for you in the afterlife Unfortunately that response can be illogical Ask any scientist Is the scientific community sure there is no creator and the likely answer will be No we are only about 99% sure Anyone could be wrong as Richard Dawkins said The common response makes you a 1% gambler and frames you as defending personal conclusions instead of facts It makes sense to defend statements such as that DNA decides biological characteristics such as eye and skin color and that chimps are our biological cousins because these are facts However defending the statement There is no creator after reading Adams story has nothing to do with defending facts The only fact in the Adam story is that if we have a creator he paid no attention to science while introducing himself to our ancestors Instead he preferred to focus on teaching them how to overcome the challenges of life There are atheists who believe in science but do not use it as the base of their arguments they say We dont care when there is no evidence Be careful using this kind of reasoning It is true that sometimes the problem is that there is no evidence But sometimes the problem is that there is no desire to see the evidence There is a story about a police officer who released a murderer despite having video of him committing the crime What was the officers rationale for dismissing the evidence you might ask It was made by the victim Maybe the difference is little between the police officer and atheists who label the books in which the Abraham story and the Mary story are written as man made rather than possible evidence or product of divine intervention The troubling situation if youll allow me to call it so is easy to solve Do you remember what we established about your boss Think about it The creator if he does exist should not be less understanding or less open minded than your boss So what if you view todays Christians Muslims and Jews as infuriating alarm clocks What you should care about is leaving this world with a wide confident smile similar to the smile of a confident employee when he or she says Good morning to their colleagues and boss I am aware that you dont deem books worth reading unless their titles are such as God Is Not Great or God Is So Bad but I kindly ask you to make an exception I want to draw that confident smile on your face Considering the ignorance of contemporary Christians Muslims and Jews nothing should be easier than drawing that smile Always remember that there is 1% probability that a creator does exist It is not good form for you to look disoriented if the Creator says to you Okay numb skull I appreciate your refusal to be a Christian a Muslim or a Jew but tell me Why did you think I was less understanding and open minded than your boss Have I not made from an atheist a role model for you What more did you want from me Also tell me why you have released me

although I left in your hands books in which I admitted committing crimes against your kind      **Athëismus vapulans, or, a Treatise against atheism, rationally confuting the atheists of these times. The Father of the Prophets 2 Abraham and his Atheist Father The story of Abraham and his Atheist Father is mentioned in five chapters of the Quran Verily there is for you a good example in Abraham Do not ask forgiveness for disbelievers When Abraham disavowed his father Abraham to his father I own nothing for you from Allah s chastisement The words of Abraham and those who believed with him Our Lord In Thee we put our trust Our Lord We turn to your obedience Our Lord Unto You is the return in the Hereafter In in the words of Abraham there is a good example to emulate for Everyone who obeys to Allah Everyone who fears Allah Everyone who believes in the Last Day and resurrection after death What was the Religion of Abraham s father Abraham said to his father Azar Do you take idols as Gods to worship Satan and Abraham s father Abraham was a prophet sent to his people Abraham believed in faith and he was an extremely truthful man Abraham said unto his father Why do you worship that which neither hears nor sees My father there has come to me of knowledge from Allah My father whoever worships other than Allah will go to Fire My father follow me regarding Allah s religion My father Do not worship Satan My father I do fear lest Allah s chastisement should befall you Abraham s father said Do you reject the worship of my deities O Abraham I shall surely assault you with stones and I will kill you O Abraham Leave me and do not speak with me for a long time Abraham said unto his father My father Peace be to you from me My father I shall ask forgiveness of my Lord for you I will supplicate hopefully I shall be blessed and I shall not be rejected Abraham left his father his community and homeland Allah blessed Abraham and gave him Isaac and he saw his son Jacob Allah gave Abraham three Prophets Ishmael Isaac and Jacob Allah favored them with being praised by other Abraham and his Atheist father Summary of the verses 19 41 48 It is not for the Prophet to ask forgiveness for the idolaters even though they be kinsmen If the idolaters having died as disbelievers they will be inhabitants of the Hell fire What about Abraham s prayer for the forgiveness of his father Abraham denied his father when it became clear to him that he was an enemy of Allah It was never Allah s part that he should send a folk astray Allah is Knower of all things including who deserves to be sent astray or to be guided Allah is Aware of all things the abrogated and the abrogating Unto Allah belonged the sovereignty of the stores of the heavens Unto Allah belonged the sovereignty of the stores of the earth O humankind You do not have besides Allah any protector It is more than enough for the believers that they have Allah s protection and support The unbelievers always say we are following our fathers faith and religion Even I bring you better guidance than what you found your fathers following Even if I bring you a truer religion than that you found your fathers following They answered Lo We do not believe in what you bring of Scripture Behold then how was the sequel for the deniers Abraham said unto his father I am innocent of that which you worship Except Him Who created me For He will indeed guide me There is no deity except Allah When the Quran came to them the

unbelievers said This is sorcery and we are indeed disbelievers in it This is mere magic it is a mere lie However the truth cannot be confused with sorcery The unbelievers say Why was not this Quran revealed to a great man of the two cities Allah chose a man whose supreme qualities were his morality and dedication Allah mercy is Limitless Allah has apportioned among them their wealth and children in the life of this world Paradise for the believers is better than the wealth that they amass

Ahmad Abdel-aziz,2016-04-16 The Father of the Prophets 3 Abraham and his Atheist people The story of Abraham and his Atheist Father is mentioned in seven chapters of the Quran In his book you will read about Abraham and his Atheist people and Abraham and the super Atheist Nimrud Nimrud denied the existence of any god but himself In the beginning Allah had given Abraham his righteousness when he was young Abraham said to his people what are these images to which you are so devoted Abraham s people said We found our ancestors worshipping them Abraham s people said Do you bring us the truth or are you mocking us Abraham said to his people your Lord is the Owner of the heavens and the earth Abraham said to his people your Lord originated them without any precedent Abraham said this to himself by Allah I shall destroy your idols for sure Abraham destroyed all the idols save the chief of them he left it intact Would his people turn to the intact idol and ask him how it all happened Abraham s people returned to find the utter destruction of their idols except the largest one Abraham went to their idols and saw many food and fruit before them Abraham said sarcastically Will you not eat Abraham said mockingly What is the matter with you that you do not speak Abraham fell upon their idols smiting them with his right hand Abraham s people came running towards him and they said to him We worship them while you smash them Abraham said Do you worship something that you have carved Abraham said It is Allah who has created you and all your handiwork Worship should be addressed to the Maker not to what is made Abraham s people said Build him a pyre and throw him into the blazing fire Abraham s people schemed to harm him but Allah caused them to be humiliated Abraham s people said Who has done this to our gods Truly he must be an evildoer Abraham s people said is it you who has done this to our gods O Abraham Abraham said You ask me Why don t you ask the idols Doesn t it look as if this big fellow has smashed the smaller ones in a quarrel So question them if they can speak so that they can tell you who broke them Abraham people was very furious they said Burn Abraham and stand by your gods and avenge your deities They then tied up Abraham placed him in a ballista and they threw him in the Fire Allah exalted be He said fire be coolness against your heat for Abraham fire be peace and safety from your coolness for Abraham The fire was cool and a source of inner peace for Abraham to enjoy and relax in Allah rescued Abraham from the Fire Abraham said Allah is He Who Created me and He Guides me to the Truth Provides for me with food to eat and with water to drink Cures me when I am sick Will make me die then Will give me life again on the Day of Judgment Will I hope forgive me my iniquity on the Day of Reckoning In his Prayer Abraham shows what his deepest wishes are he said Grant me unerring judgement vouchsafe me wisdom Grant me understanding and knowledge Unite me

with the righteous the prophets and the messengers in Paradise Give unto me a good report Give unto me a good mention in later generations those who come after me Place me among the inheritors of the Garden of Delight And forgive my father and guide my father through me And forgive my father for indeed he is one of those who are astray And do not disgrace me on the Day of Judgment Do not chastise me on the day when they are raised from the graves Look how Abraham define the Day of Judgment in few words he said The day when the abundance of wealth avail not any man The day when the abundance of sons avail not any man The day when nothing will then avail except a pure heart *Benjamin Franklin Unmasked* Jerry Weinberger,2005 Taking the Autobiography as the key to Franklin s thought Weinberger argues that previous assessments have not yet probed to the bottom of Ben s famous irony and elusiveness While others take the self portrait as an elder statesman s relaxed and playful retrospection Weinberger unveils it as the window to Franklin s deepest reflections on God virtue justice equality natural rights love the good life the modern technological project and the place and limits of reason in politics and human experience Along the way Weinberger explores Franklin s ribald humor usually ignored or toned down by historians and critics and shows it to be charming and philosophic **A History of Connecticut** George Larkin Clark,1914

*Abraham's Ashes* Peter Heinegg,2012-12-16 Abrahamic religion has long been a buzzword in ecumenical discourse It is the notion that Judaism Christianity and Islam despite their profound differences are united in their reverence for Abraham not just as the progenitor of Israel but as a universal father in the faith Abraham s Ashes offers a forceful critique of the biblical and Qur anic views of Abraham showing how at the heart of all prophetic religions lies an untenable myth of suprarational magical thinking about revelation This myth involves communiqu s to a privileged male from a mysterious patriarchal God who demands and in the case of Jesus actually receives the tribute of human sacrifice This cruel story proves to be an apt introduction to the bizarre contradictory and oppressive fantasy known as monotheism *The Atheist* ,2003

*Systematic Catalogue of the Public Library of the City of Milwaukee* Milwaukee Public Library,1885 [Atheism and Salvation](#) John J. Pasquini,2000-02-09 Atheism and Salvation is an original and unique work that explores in detail Karl Rahner s understanding of atheism within the context of anonymous Christianity In light of Vatican II Rahner contends that atheism cannot simply be understood as ignorance or willful rebellion against God Instead he argues that one can be an

atheist on a categorical level and still be a person of supernatural faith and a Christian albeit in an implicit or anonymous way In addition to masterfully explaining anonymous Christianity and modern atheism Atheism and Salvation provides a succinct summary of the traditional proofs for the existence of God Intended for those who have an interest in the future of theology religion and philosophy this insightful work will leave its readers seeing reality in a new light     **Liahona** ,1929
