First of all, a detailed theoretical overview referring to various image types, the current image transfer, including critical topics related to the religion of Islam, women's role in society, behaviour, body language and dress code, and the open-mindedness of the United Arab Emirates regarding local traditions related to the religion of Islam is given. In the empirical part, a mixed method including a qualitative media analysis focusing on print and new media of image developers as well as newspaper articles published by journalists in the United Arab Emirates and the surrounding countries and qualitative expert interviews are selected as appropriate research methodology.      **The Rough Guide to Dubai: Travel Guide eBook** Rough Guides, 2024-12-16 This Dubai guidebook is perfect for independent travellers planning a longer trip.
