

# BOARD QUESTION PAPER : MARCH 2015

## ENGLISH

Time: 3 Hours

Max. Marks: 50

**SECTION – I**

(Reading Skills, Vocabulary and Grammar)

- Q.1.** (A) Read the following passage and do the given activities: [10 marks]
- A.1.** Order

Arrange the following sentences in the chronological order as they appear in the passage:

- (i) On celebrations, parents can invest ₹ 200 and plant a sapling of a tree representing the child's birth star.
- (ii) He wants to create Brihat Panchavati.
- (iii) He has been able to increase the areas of the Pavitra Vana.
- (iv) Plans are afoot to create a Saptaswara forest.

Today, Reddy is one of the most well-known environment specialists in India. With his influence, he has been able to increase the areas of the Pavitra Vana and has plans to bring about awareness of Puranic trees and flowers for the knowledge of the Indian citizens.

He wants to create near the Pavitra Vana, a Brihat Panchavati so that parents can show their children the forest where Shakuntala lived or Sita spent her final days. There will also be a hillock where people can meditate. Plans are also afoot to create a Saptaswara forest, pertaining to different ragas in music. Scientists have found that certain plants react in a particular way to different ragas. So in such a forest, when a musician performs certain ragas, the plants will react in such a manner that it will benefit the audience, the musician and the whole environment. The other idea is an ecopark for children. On celebrations, like birthdays, parents can invest ₹ 200 and plant a sapling of a tree representing the child's birth star. The plant will also carry the child's name. The Pavitra Vana also houses a garden of Prophet Mohammed, which has some plants mentioned in the Holy Quran. There is the date plant — sacred to Islam — and *Mimosa-pudica*, the latter a highly fragrant variety. There is also the garden of Eden for housing plants sacred to Christianity, but the Pavitra Vana authorities have to procure most of them in the new sections.

- A.2.** Find specialities: (2)

Write down the specialities of the following:

- (i) Brihat Panchavati: \_\_\_\_\_
- (ii) Saptaswara Forest: \_\_\_\_\_
- (iii) Eco-park: \_\_\_\_\_
- (iv) A garden of Prophet Mohammed: \_\_\_\_\_

- A.3.** Antonyms: (2)

Find antonyms for the following words from the passage:

- (i) name
- (ii) decrease
- (iii) destroy
- (iv) lost

- A.4.** Language study: (2)

- (i) He wants to create near the Pavitra Vana, a Brihat Panchavati.

(Pick out an infinitive from the given line and use it in your own sentence)

- (ii) Reddy is one of the most well-known environment specialists in India.

(Begin with: Very few .....)

- A.5.** Personal response: (2)

Do you think one person alone can create an awareness towards environment conservation?

Support your answer with appropriate reasons.

**A methodology for planning sustainable supply chain initiatives** Kucht Campos, Juliana, 2016-11-18 This publication presents a methodology for planning sustainable supply chain initiatives consisting of three scopes each with its appropriate mechanism and background theory The first one Acting In structures organizational practices in a Framework for Managing Sustainable Supply Chain Practices The second scope Acting Out compares practices from 32 recognized sustainability leaders from five different industries through a Benchmarks Practices Bank The third scope Acting Beyond supports defining and managing a portfolio of sustainable supply chain practices through a Practices Portfolio Planning Matrix which provides a list of opportunities for the exchange of knowledge between Germany and Brazil The methodology significantly supports supply chain decision makers in planning initiatives and visualizing collaboration opportunities within a firm industry and shared value chain perfective As companies become more global challenges also become greater thus a more systematic and holistic approach can lead the way for developing more innovative solutions In der folgenden Doktorarbeit wird eine Methodologie zur Planung von

Nachhaltigkeitsinitiativen im Bereich Supply Chain entwickelt die aus drei Haupthandlungsfeldern besteht und für welche jeweils der theoretische Hintergrund sowie geeignete Mechanismen aufgezeigt werden. Der erste Bereich das sog Acting In strukturiert organisatorische Tätigkeiten und integriert diese in einen Rahmen dem Framework for Managing Sustainable Supply Chain Practices. Der zweite Bereich Acting Out vergleicht verschiedene Verfahren von 32 anerkannten im Bereich Nachhaltigkeit führenden Unternehmen mit Hilfe der Datenbank Benchmarks Practices Bank. Acting Beyond der dritte Bereich hilft dabei ein Portfolio mit nachhaltigen Maßnahmen im Supply Chain Bereich zu definieren. Hierfür wird die Practices Portfolio Planning Matrix eingefügt welche gleichzeitig interessante Möglichkeiten zum Wissensaustausch zwischen Deutschland und Brasilien aufzeigt. Die erarbeitete Methodik ist sowohl für die Forschung als auch für die Anwender im Supply Chain Bereich von großer Bedeutung. Die hier entwickelten Mechanismen unterstützen die Entscheider in den Unternehmen bei der Planung von Nachhaltigkeitsinitiativen im Supply Chain Bereich und verdeutlichen Kooperationsmöglichkeiten auf verschiedenen Ebenen innerbetrieblich auf derselben Wertschöpfungsstufe und über die gesamte Wertschöpfungskette hinweg. Da die Unternehmen immer globaler agieren werden die Herausforderungen größer. Daher kann eine systematischere ganzheitlichere Herangehensweise ein Ansatz sein wenn es um die Entwicklung von innovativen Lösungen geht.

Yearbook of International Organizations 2014-2015 (Volume 4) Union Of International Associations, Union of International Associations, 2014-09-17. The Yearbook of International Organizations provides the most extensive coverage of non profit international organizations currently available. Providing both an international organizations and research bibliography. Volume 4 cites over 46 000 publications and information resources supplied by international organizations and provides nearly 18 000 research citations under 40 subject headings. This volume also includes a research bibliography on international organizations and transnational associations.

Sustaining our Environment for Better Future Abdelnaser Omran, Odile Schwarz-Herion, 2019-08-05. This book covers a variety of topics regarding environmental practices in our day to day lives as well as topics concerning sustainable development as a broader concept embracing ecological social and economic aspects to improve the quality of life for people around the world. Starting with the traditional controversy between the neoclassical economy and sustainable economy which may be overcome by scientific progress due to more intensive scientific studies of the sustainability paradigm the book proceeds to discuss various problems and challenges regarding environmental protection and sustainable development in different countries and on different continents. This includes analyses of recent sometimes fatal mining disasters in South and North America challenges and opportunities for rural development in Africa and Australia an

exploration of the role of women for sustainable development in Palestine water safety and water security issues in Asia and Australia the environmental exploitation of popular tourism destinations like Acapulco and deforestation in Malaysia suggesting innovative approaches to turn challenges into opportunities to effectively tackle these problems Other topics addressed involve sustainable energy creation for future generations a research survey among Romanian students on sustainable consumption behavior validity testing for a heat transfer model in a greenhouse and a case study on sustainability risk management practices at Malaysia s environmentally sensitive companies The book closes with an examination of highly digitalized Smart Cities as a potentially valuable complement to conventional urban and rural lifestyles in connection with achieving the UN Sustainable Development Goals SDGs [Environment Current Affairs Yearly Review 2021 E-book - Free PDF](#) testbook.com,2022-01-18 Read this Environment Current Affairs Yearly Review 2021 E book know about State of Forest Report 2021 Global warming and weather phenomenon National Clean Air Programme NCAP Report Gir National Park and Wildlife Sanctuary etc **Current Affairs Yearly Review 2021 E-Book - Download Free PDF!** testbook.com,2022-02-02 This Current Affairs Yearly Review 2021 E Book will help you understand in detail exam related important news including National International Affairs Defence Sports Person in News MoU Agreements Science Tech Awards Honours Books etc **Parliamentary Debates** India.
