*Living with the Enemy* Sandra Ott,2017-06-26 This book reconstructs the trials and tribulations of the colorful individuals accused of collaboration with the Germans in southwestern France     The French Secret Services Douglas Porch,2003-11 Chronicles the development of the French secret services in the modern era asks some fundamental questions about what France expected and expects from them and offers a assessment of their role and influence in the state and the military

*Negotiating the Nazi Occupation of France* Sandra Ott,2025-02-19 The French the Basques and the myriad of foreigners who lived in wartime France often developed clever strategies for negotiating the Nazi Occupation of 1940 1944 This sometimes entailed living in harmony and cooperating with the enemy accommodating to the Germans presence or rejecting them through various modes of resistance and hostility People so often simply tried to survive the Occupation as best as they could and contrary to early perceptions of the French people Most were neither bad nor good in a murky moral universe that was decidedly not black and white As this book argues that murky universe needs to be explored beyond the solely French or German experience By largely focusing on daily life the authors create a space in which to explore relations among people of varying ethnic religious regional and national identities They also engage with multiple disciplines anthropology history visual studies genocide studies as well as transnational memory and gender studies     Fleeing Hitler Hanna

Diamond,2008-09-25 Wednesday 12th June 1940 The Times reported thousands upon thousands of Parisians leaving the capital by every possible means preferring to abandon home and property rather than risk even temporary Nazi domination As Hitler s victorious armies approached Paris the French government abandoned the city and its people leaving behind them an atmosphere of panic Roads heading south filled with ordinary people fleeing for their lives with whatever personal possessions they could carry often with no particular destination in mind During the long hard journey this mass exodus of predominantly women children and the elderly would face constant bombings machine gun attacks and even starvation Using eyewitness accounts memoirs and diaries Hanna Diamond shows how the disruption this exodus brought to the lives of civilians and soldiers alike made it a defining experience of the war for the French people As traumatized populations returned home preoccupied by the desire for safety and bewildered by the unexpected turn of events they put their faith in Marshall Ptain who was able to establish his collaborative Vichy regime largely unopposed while the Germans consolidated their occupation Watching events unfold on the other side of the channel British ministers looked on with increasing horror terrified that Britain could be next     A History of Women in the West: Toward a cultural identity in the twentieth century
