Sociological Aspects Of Crime And Delinquency Routledge Revivals:

Sociological Aspects of Crime and Delinquency (Routledge Revivals) Michael Phillipson, 2014-10-14 The field of crime and delinquency attracts a great deal of heated and partial opinion prejudice and other forms of mal thinking When there is a scientific approach there tends to be a psychological explanation This book first published in 1971 is a corrective to both trends It is a discussion of criminal behaviour in relation to a wide range of behaviours which could be called deviance and regards the whole field from the sociological point of view The whole discussion is related to social policy and is vital reading for students of sociology and criminology

Sociological Aspects of Crime and Delinquency Michael Phillipson, 1976

Green Harms and Crimes R. Sollund, 2016-01-12 The book presents discussions of the application of Stan Cohen's theories alongside empirical contributions in the fields of critical and green criminology Taken together the authors critically address harms and crimes against the environment as well as against human and nonhuman victims

Perceptions of Female Offenders, Vol. 2 Brenda Russell, Celia Torres, 2023-11-27 This new edition is a nuanced exploration of female involvement in various crimes from delinquency domestic violence sexual assault and homicide that resonates with the pulse of contemporary society In an age where many events are tweeted and debated online this book delves into the intricate ways social media portrays female offenders and how this can distort public perceptions and effect legal outcomes Volume two includes recent research and theory examining how female perpetration is intricately related to gender roles that persist within the criminal justice system and often lead to gender disparities in treatment criminal justice response and sentencing and calls into question long held beliefs and systems that might not be as impartial as they appear The compelling nature of this volume addresses the complex relationship between trauma and offending and examines crucial subjects like partner violence homicide and the unique challenges faced by trans women within the criminal justice system and examines the myths associated with female offending and how that bleeds into criminal justice response It addresses theories that provide insight into female offending and sentencing and offers ways to generate gender inclusiveness This volume invites researchers practitioners and advocates for justice to join a vital conversation and develop a more informed and equitable criminal justice response

Essential Criminology Stuart Henry, Desiré J. M. Anastasia, 2025-04-09 This significantly expanded edition of Essential Criminology covers the broadest range of criminological theories the essential criminological theories from longstanding ones such as classical theory and strain theory to recently introduced ones such as ultra realism and green cultural criminology Whether all are essential depends on one's theoretical stance The value of this text is its carefully designed comparative analysis which helps readers consider their relative contribution to the field Originally designed as an alternative to lengthy and expensive introductory texts Essential Criminology provides a concise yet comprehensive overview of the field The book offers a clear structured student friendly critical analytical examination of the nature of crime theories of crime causation and their criminal justice policy

implications Causal theories covered range from micro level classical and rational choice to biological psychological social learning social control and interactionist perspectives to macro level social ecology anomie strain conflict Marxist feminist and postmodernist theories Over its 26 year history the book has added new theoretical perspectives as these have gained prominence New to this edition are chapters on critical and ultra realism and critical green criminology and discussions of zemiology critical race theory and quantum holographic criminology The authors have also expanded some theoretical frameworks that had previously been underdeveloped such as opportunity theory subcultural theory and social constructionism Essential Criminology contextualizes criminology in the globally interdependent 21st century addressing the crimes of terrorism global pandemics and climate change With its cutting edge updates illustrative real world examples and student friendly study tools including analytically comparable summary charts exposing each theory's ontological assumptions this text was designed primarily for undergraduate criminology courses but has also been adopted by community colleges and graduate programs in criminology sociology and political science Paperbacks in Print ,1975

Marginalised Voices in Criminology Kelly J. Stockdale,Michelle Addison,2024-03-11 This book is about people who are marginalised in criminology it is an attempt to make space and amplify voices that are too often overlooked spoken about or for In recognising the deep seated structural inequalities that exist within criminal justice higher education and the field of criminology we offer this text as a critical pause to the reader and invite you to reflect and consider within your studies and learning experience your teaching and your research whose voices dominate and whose are marginalised or excluded within criminology and why This edited collection offers chapters from international criminology scholars activists and practitioners to bring together a range of perspectives that have been marginalised or excluded from criminological discourse It considers both obscured and marginalised criminological theorists and schools of thought presents alternative viewpoints on traditional criminal justice themes and considers how marginalisation is perpetuated through criminological research and criminological teaching Engaging with debates on power colonialism identity hegemony and privilege and bringing together perspectives on gender race and ethnicity indigenous knowledge's queer and LGBTQ issues disabilities and class this concise collection brings together key thinkers and ideas around concerns about epistemological supremacy Marginalised Voices in Criminology is crucial reading for courses on criminological theory and concerns diversity gender race and identity

Inequality, Crime and Public Policy (Routledge Revivals) John Braithwaite,2013-09-13 First published in 1979 Inequality Crime and Public Policy integrates and interprets the vast corpus of existing research on social class slums and crime and presents its own findings on these matters It explores two major questions First do policies designed to redistribute wealth and power within capitalist societies have effects upon crime Second do policies created to overcome the residential segregation of social classes have effects on crime The book provides a brilliantly comprehensive and systematic review of the empirical evidence to support or refute the classic theories of Engles Bonger Merton Cloward and Ohlin Cohen

Miller Shaw and McKay amongst many others Braithwaite confronts these theories with evidence of the extent and nature of white collar crime and a consideration of the way law enhancement and law enforcement might serve class interest

British Paperbacks in Print ,1985 **Sociology** Robert A. Stebbins,1987 *Critical Criminology (Routledge Revivals)* Ian Taylor,Paul Walton,Jock Young,2013-01-11 First published in 1975 this collection of essays expands upon the themes and ideas developed in the editors previous work the visionary and groundbreaking text *The New Criminology* Directed at orthodox criminology this is a partisan work written by a group of criminologists committed to a social transformation a transformation to a society that does not criminalize deviance Included are American contributions particularly from the School of Criminology at Berkeley represented by Hermann and Julia Schwendinger and Tony Platt together with essays by Richard Quinney and William Chambliss From Britain Geoff Pearson considers deviancy theory as misfit sociology and Paul Hirst attacks deviancy theory from an Althusserian Marxist position The editors contribute a detailed introductory essay extending the position developed in *The New Criminology* and two other pieces which attempt to continue the task of translating criminology from its traditional correctionalist stance to a commitment to socialist diversity and a crime free set of social arrangements *Guide to Reprints* ,2009 *Public Policy Making, Gender, and Human Security in the Caribbean* Deborah N. Mc Fee,Tracie A. Rogers,2025-05-08 This edited collection brings together the work of practitioners civil society actors and academics either located in the Caribbean or involved in Caribbean based work on public policy making and its implementation The compendium challenges traditional dichotomies of external versus internal actors in the policy process thereby framing Caribbean public policy as a complex multi stakeholder undertaking The collection is informed by three broad thematic areas Gender and Policymaking Human Security and Social Policy Sub themes include Gun Violence and CARICOM Small Island Developing States and the People Face Social Cost of Climate Change This volume is ideal for researchers policy makers academics and graduate students *Cumulated Index to the Books* ,1949 A world list of books in the English language **Canadian Crime Control Policy** Timothy F. Hartnagel,1998 **Sociology** Rodney Stark,2001 **Introduction to Sociology** James J. Teevan,1992 **Sociology** John J. Macionis,1987 The title says it all This tenth edition of the best selling *Sociology* is a comprehensive book and multimedia package that offers readers a global perspective to help them better understand their own lives provides a strong focus on social diversity that allows them to see the impact of race class and gender and focuses on critical thinking With technology integrated throughout this new edition features hundreds of new research citations as well as recent data from Census 2000 to present a cutting edge picture of life both in the United States and around the world Covering all aspects of sociology this book describes sociological investigation culture society interaction in everyday life groups and organizations deviance sexuality social stratification social class in the United States global inequality gender stratification race and ethnicity aging the economy politics and government family religion education health and medicine population and urbanization collective behavior and

social movements and social change An excellent resource for professionals in the field of sociology this book is also an excellent read for non academic hobbyists and life long learners **Religion in the Lives of American Adolescents** Mark Regnerus,Christian Smith,Melissa Fritsch,2003 **Gangs, Marginalised Youth and Social Capital** Ross Deuchar,2009

Adolescents today are demonized by politicians and the media across the world We are bombarded with assertions of young people s antisocial behavior and gang fighting and the link to depletion of social capital This book examines the extent to which young people are engaging with the indicators of social capital as illustrated by a sample group of 16 18 year olds in the most socially deprived urban areas of Glasgow in Scotland Ross Deuchar s compelling research reveals the adolescents views on life in the city the influence of gang culture and territoriality on their own lives and on the social capital within their communities The book features the voices of young people some of them asylum seekers or from ethnic minority backgrounds who have become disenfranchised by educational failure unemployment and poverty and also of those who have faced great challenges but have overcome them The book examines the extent of their civic participation social networks and levels of reciprocity and trust and presents case studies of projects and initiatives which are helping to re engage young people Here is a book written for all those who work with young people from disadvantaged groups whether in schools or youth organizations It will be of particular relevance to academic researchers with an interest in social capital and also to community educationalists and youth leaders secondary teachers and students who are studying towards qualifications in community education and youth work The book will also interest people who are concerned with community welfare politicians the police community sports development officers and youth coaches
