**An Anthology of Humorous Verse** Theodore Andrea Cook, 1902      [An Anthology of Humorous Verse \(Classic Reprint\)](#)  
Theodore Andrea Cook, 2018-01-17 Excerpt from An Anthology of Humorous Verse Poet I have been more influenced by the treatment and occasionally by the subject of a poem than by its authorship or date In the early days soon after Chaucer we are in an epoch of rough physical humour of drinking songs of simple fables when law suits and money the unknown king and his outspoken subject the Church and the Devil provided the stock elements of laughter There was a directness and a vital strength about these singers which I seem to see reflected in the bold detail carvings of the Gothic Cathedrals where Humour treads upon the heels of the Grotesque and laughter is sometimes very near akin to tears Not until the spacious days of Elizabethan literature does this weight of inevitable realism begin to lift Soon afterwards the Cavaliers were among the most delightful lyrists in the world but rather in the passionate than the humorous vein and after these again there is an interval an interregnum in which it may be recognised that the old style is dead and the new one has not been born Of this is the long newsletter meant to be witty and occasionally humorous But the charm of the ancient days had vanished without being as yet replaced by any compensating skill The old stories had all been told and there was no one to touch them with a new life or to find fresh subjects for his verse The unfortunate repetition which comes from lack of ideas became common and the Primitive Jest flourished in the land only not perishing outright because in Rabelais phrase it was in one form or another an essential human attribute As Mr Andrew Lang has sung About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **An Anthology of Humorous Verse** Helen Melville, 2015-07-12 Excerpt from An Anthology of Humorous Verse From Robert Herrick to Owen Seaman In presenting this volume the compilers wish to state that they do not put it forward as a collection of masterpieces of humorous verse Many masterpieces are included but the object of the compilers has been not only to bring together the best humorous verse in the language between Robert Herrick and Owen Seaman but also to give representative specimens of the work of these writers whose efforts were acclaimed as successful by their contemporaries The absence of one or two modern writers is due to their works not being available but most authors and publishers with generous courtesy have permitted the insertion of such copyright poems as were desired About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original

**A Book of Cambridge Verse (Classic Reprint)** Ernest Edward Kellett, 2018-02-02 Excerpt from A Book of Cambridge Verse Nevertheless after all deductions have been made how much true poetry is yet left He must be hard to please who cannot find intense enjoyment in the Eclogues of Phineas Fletcher in Cowley's epitaph on Harvey in the Miltonic stanzas of Gray's Installation Ode in a score of other pieces grave quaint or classical in their allusive ness of phrasing Especially grateful must we be to the number of poets of exquisite feeling and easy mastery of form who during the last fifty or sixty years have enriched the language with delicate and elegant verse from which it has been only too difficult to choose because its quantity is so great and its merit so even Of this we trust we have given a tolerably adequate selection but it would have been easy to multiply it fourfold About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
