### Guided Reading Questions

Answer the following questions on a separate piece of paper. Questions should be discussed in your group, but everyone in the group should have their own answers in complete sentences which are written in their own words and not copied from another group member.

You will keep a chart of the songs of the chorus and relate them to the action of the play.

	Summary of the Song	Function of the Song
Parados	Polyneices attacked Thebes but was defeated.	Gives background for Creon's order not to bury Polyneices
Ode 1		

### Prologue

**Conflict.** Note the seriousness of the conflict that is introduced in lines 52-58. What is Antigone going to do, and what may happen to her as a result?

**Character.** Up to lines 84, what have you learned about Antigone the protagonist of the play? How would you contrast her with her sister, Ismene?

### Parados

**Reading Classical Drama.** Stop at line 44 in the Parodos. And summarize the background information that the chorus gives in its song. How does the chorus view Polyneices?

### Scene 1

**Motifs in Drama.** A motif is an element or concept expressed by the characters throughout a play that helps develop the plot and theme. Although this is only the first scene of *Antigone*, the idea of treachery versus loyalty has appeared several times. How do you think this motif might affect the plot?

**Character.** (ll. 8-30) This speech introduces Creon, who acts as Antigone's **antagonist**. According to him, what deserves the highest loyalty? Analyze Creon's speech as a persuasive argument. What is his position on the burial of Polyneices? What reasons does he use to support his claim? Is his argument logical? Does he deal with the "counterargument"?

**Conflict.** (ll. 58-76) The sentry finds himself in the dangerous situation of telling the king bad news. How do you feel toward the sentry at this point? Why? Why is the sentry afraid of telling Creon that somebody put dust on Polyneices' body? What does the audience learn about Creon from this interaction with the sentry?

**Classical Drama.** Stop at line 78. Who do you think buried the body? Note the **dramatic irony** arising from Creon's assumption that the person who buried the body was a man.

**Character.** Notice how the sentry (lines 79-101), a **minor character**, relates to Creon. What does his attitude tell you about Creon?

**Classical Drama.** The **choragus** poses a reasonable question in line 102. Judge Creon's response, noting what attitude he shows toward the gods. How is Creon's attitude towards the gods similar to other kings we have read about? How do you think this attitude will fair?

**Tone.** Identify the sentry's tone as he explains to Creon what has happened to the body. Analyze the writing to determine how Sophocles achieves this effect. Compare the syntax and diction of Creon's speech to that of other characters.
