Anunnakis:

Anunnaki Sonny Ramirez,2017-09-13 Humankind has been attempting to answer complex questions for thousands of years Is there a God Where do we come from Is there life somewhere else Are we alone Who created us Is there an afterlife Is there hell In the early 1800s over thirty thousand tablets were found in the ancient biblical city of Nineveh that included the Assyrian palace reliefs the library of Ashurbanipal and the Enuma Elish also known as the Seven Tablets of Creation that tell the story of the formation of the world and humanity and of the Anunnaki gods who arrived from the heavens to create the human race In a comprehensive study Sonny Ramirez reveals translations of the findings as well as new discoveries in a passionate search for the truth about the origins of humankind as he attempts to piece together the Anunnaki connection and ultimately discover whether the gods of Earth men and Nibiru are still with us today Anunnaki Gods of Earth and Nibiru share and analyze ancient texts that will encourage others to open their minds imagine the unimaginable and dream of the possibilities that an endless universe can hold [Anunnaki Theory Authenticated with a New Twist](#) Shafak

GokTurk,2018-06-16 What do all books about the Anunnakis have in common The answer doesn't really matter because in this book Shafak GokTurk brings a different perspective on the subject one that will take you to another dimension of reality in our world Ever wonder how humankind was able to make such tremendous progress over the last 2 000 years Why is leadership of the world shifting from East to West in politics economics and technology GokTurk makes significant claims that will answer some of these questions and may radically change your viewpoint on the world Unlike some authors who claim the Anunnakis left our world GokTurk historically and methodically proves that they remain and have had a significant impact on our lives The two main groups of Anunnaki Enlil and Enki are still active and have always been A shift of power from one to the other that will reshape our world in the near future is imminent Will this shift of power bring peace and prosperity or are we destined to take a turn for the worse Reading this book will enlighten you about various topics who Admiral Byrd had a conversation with Who is Shem to the great Rumi What are the messages that these people were trying to give us Do Anunnakis take humans into their society by allowing them to live forever Purchase the book now to see the world order from a new perspective as we come closer to meeting our true ancestors in 2060 [Wars of the Anunnaki](#) Chris

H. Hardy,2016-07-18 Examines the Anunnaki gods evolving relationships with humanity their power struggles and the details of their nuclear war on Earth Analyzes the crisis and rationale behind the Anunnaki decision to nuke 5 cities in the Jordan plain resulting in the obliteration of Sumerian civilization Draws upon the work of Zecharia Sitchin the Book of Genesis Sumerian clay tablets and archaeological evidence such as ancient radioactive skeletons Examines the Anunnakis lack of higher consciousness their reliance on technology their sacred power objects and sacred geometry and the possibility of Anunnaki bases on Mars in the distant past The detonation of nuclear weapons in the 20th century was not the first time humanity has seen such terrible destruction Drawing upon the work of Zecharia Sitchin the Book of Genesis Sumerian clay

tablets and archaeological evidence such as ancient radioactive skeletons Chris Hardy reveals the ancient nuclear event that destroyed the Sumerian civilization and the power struggles of the gods that led up to it The author explains how the Anunnaki came to Earth from the planet Nibiru seeking gold to repair their ozone layer Using genetic engineering they created modern humanity to do their mining work and installed themselves as our kings and our gods Anunnaki god Enki had a fatherly relationship with the first two humans Then Enlil Enki's brother took over as Commander of Earth instating a sole god theocracy and a war against the clan of Enki and humanity for spoiling the Anunnaki bloodlines through interbreeding This shift imposed a blackout not only of the very human nature of the Anunnaki gods but also of humanity's own ancient past on Earth Two of Enlil's attacks against the Enki clan and humanity are described in the stories of the Deluge and the Tower of Babel His final attempt after coercing the Assembly of the Gods into voting yes was the nuclear bombing of 5 cities of the Jordan plain including Sodom and Gomorrah which resulted in the destruction of the Sumerian civilization and the Anunnakis own civilization on Earth including their space port in the Sinai The author reveals how after each attempt humanity was saved by Enki chief scientist Ninmah and Enki's son Hermes The author explores how the Anunnakis reliance on technology and their recurrent wars caused them to lose touch with cosmic consciousness And she reveals how we will be doomed to repeat this dynamic until humanity awakens to our true origins

ANUNNAKI Henry Krane, El Verdadero Origen de la Humanidad El secreto mejor guardado por la Iglesia Muchas son las culturas que nos hablan de la existencia de unos seres Reptilianos considerados como dioses Los Anunnaki Hay muchas evidencias rastros que estos seres han dejado en nuestra historia Los antiguos indicaron y representaron a estos dioses en sus pinturas escritos y por sobre todo sus edificaciones las cuales son imposibles de replicar en nuestra actualidad Sus conocimientos tanto tecnológicos como su conciencia del universo influenciaron en nuestra historia Incluso hasta nuestros días No volverás a ser el mismo luego de que conozcas los secretos de este libro

Anunnakis and the Noah Flood 1 Omer Yusuf, 2018-10-05 Mankind has always wondered about the past Questions about how long people have been living in the world what kind of lives the people in the past had how certain structures of which secrets haven't been resolved completely yet were made and who made them and who are the watchmen who corresponds to Anunnaki in Sumerian are all questions which have increased curiosity In the Hebrew myths and in the Torah Nefilim is called the giant in fact the word means fallen from the sky The word Anunnaki in the Sumerian myths can be translated as Those descending from the sky while the word Sumerian means the country of the Watchmen In ancient Egypt they are referred to as Neter We could understand that all the leading roles in all ancient cultures belong to these watchmen One of the most curious topics is the period of Prophet Noah and the Flood Was the date between Noah and Adam short or long What was the level of civilization at that time What methods did people use to live What was the historical role of the Anunnaki This series of books will explore answers to these questions

Anunnaki Gods No More Sasha Lessin, 2012-11-06 Dr Lessin explains the Anunnaki's involvement in human history The giant olden gods folks with high tech

their heirs chain us to short hard lives The godsrocketed here from the planet Nibiru bred with Homo Erectus to create us as short term slaves soldiers We praised them killed in their names Allah the Sumerian Nannar Yahweh Enlil Adanoi Enki Read this book transcend the gods religions Sasha Lessin Ph D U C L A Anthropology Ph D author of Anunnaki Gods No More and producer of the hugely popular web site www.enkispeaks.com studied with the late Zecharia Sitchin for many years Mr Sitchin asked Lessin to create popular internet book and college level courses to revise ancient anthropology Sitchin asked Lessin to help disseminate written graphic and traditional stories of ETs hithertofore considered mythic gods on Earth from 450 000 years ago to 300 B C as well as the latest findings in astronomy that relate to the planet Nibiru from which the ETs came

[The Anunnaki Conspiracy](#) Jonathan David, A sweeping blend of ancient history speculative science and bold storytelling The Anunnaki Conspiracy explores the shadowed origins of humanity through a lens that challenges everything we think we know Moving across Mesopotamian mythology lost civilizations cosmic engineering and the forgotten sciences of the ancient world this book uncovers a narrative where gods are not divine beings but advanced visitors whose influence shaped the rise of humankind

Slave Species of the Gods Michael Tellinger, 2012-09-10 Our origins as a slave species and the Anunnaki legacy in our DNA Reveals compelling new archaeological and genetic evidence for the engineered origins of the human species first proposed by Zecharia Sitchin in The 12th Planet Shows how the Anunnaki created us using pieces of their own DNA controlling our physical and mental capabilities by inactivating their more advanced DNA Identifies a recently discovered complex of sophisticated ruins in South Africa as the city of the Anunnaki leader Enki Scholars have long believed that the first civilization on Earth emerged in Sumer some 6 000 years ago However as Michael Tellinger reveals the Sumerians and Egyptians inherited their knowledge from an earlier civilization that lived at the southern tip of Africa and began with the arrival of the Anunnaki more than 200 000 years ago Sent to Earth in search of life saving gold these ancient Anunnaki astronauts from the planet Nibiru created the first humans as a slave race to mine gold thus beginning our global traditions of gold obsession slavery and god as dominating master Revealing new archaeological and genetic evidence in support of Zecharia Sitchin s revolutionary work with pre biblical clay tablets Tellinger shows how the Anunnaki created us using pieces of their own DNA controlling our physical and mental capabilities by inactivating their more advanced DNA which explains why less than 3 percent of our DNA is active He identifies a recently discovered complex of sophisticated ruins in South Africa complete with thousands of mines as the city of Anunnaki leader Enki and explains their lost technologies that used the power of sound as a source of energy Matching key mythologies of the world s religions to the Sumerian clay tablet stories on which they are based he details the actual events behind these tales of direct physical interactions with god concluding with the epic flood a perennial theme of ancient myth that wiped out the Anunnaki mining operations Tellinger shows that as humanity awakens to the truth about our origins we can overcome our programmed animalistic and slave like nature tap in to our dormant Anunnaki DNA and realize the longevity and intelligence of our

creators as well as learn the difference between the gods of myth and the true loving God of our universe *10th Edition. Anunnaki Genetic Creation of the Human Races, Gods, Angels, Demons and Spirits.* Maximillien De Lafayette,2013-10-16 Published by Times Square Press <http://www.timessquarepress.com> Author's website www.maximilliendelafayettebibliography.com An authoritative book of the history of the Anunnaki religion names roles of gods who created MAN from clay as well as spirits and demons A powerful book which explains in simple English how early humans final types of humans were created genetically by the Anunnaki some 65 000 years ago in Mesopotamia The book is solely based upon the Sumerian Akkadian Assyrian tablets archaeology history Anunnaki Ulema literature and linguistic sources from Babylon Uruk Ur Eridu and other ancient Mesopotamian cities In this academic informative and entertaining book there is no room for false bogus translations and ridiculous interpretations of the history of the Anunaki Sumero Akkadian Assyrian tablets and fabrication of stories about planets and stars which do not exist and childish tales of expeditions of ancient aliens and Anunnaki who came to Earth to mine gold *The Anunnaki Connection* Heather Lynn,2020-03-01 This definitive guide connects a diverse range of new and existing theories about the Anunnaki while exploring their possible connection to humanity's past present and future Over 6 000 years ago the world's first civilization the Sumerians were recording stories of strange celestial gods who they believed came from the heavens to create mankind These gods known as the Anunnaki are often neglected by mainstream historians The Sumerians themselves are so puzzling scholars have described their origin as The Sumerian Problem With so little taught about the ancient Sumerians in our history books alternative theories have emerged This has led many to wonder about the true story behind the Sumerians and their otherworldly gods the Anunnaki Lynn traces the evolution of these Mesopotamian gods throughout the Ancient Near East analyzing the religion myth art and symbolism of the Sumerians investigating Who are the Anunnaki How accurate are the current Sumerian text translations and how do we know for sure who to believe Is there a connection between the Anunnaki and other ancient gods Where are the Anunnaki now Will their possible return spell the end of our world *Reign of the Anunnaki* Jan Erik Sigdell,2018-09-11 Reveals the ongoing alien manipulation of humanity and how we can break free Explores how the Anunnaki have maintained invisible surveillance over us and how they control our development through religion secret societies and catastrophes Reveals how they feed off our energies and how this ability has allowed them to remain here on Earth as multidimensional entities enforcing their control invisibly Explains how they established religion to control us and how Gnostic Christianity which came from Christ and not the Anunnaki offers a way out of their matrix of control Cuneiform texts found on clay plates in Mesopotamia tell us about an extraterrestrial race called the Anunnaki who came from space to exploit our planet Through genetic manipulation they created modern humans from existing earthly life forms to serve them as slaves They physically left our planet millennia ago but as Jan Erik Sigdell reveals their influence and control over humanity is still pervasive and significant Sigdell explains how the Anunnaki have maintained invisible surveillance over us as well as control over how humanity develops setting limits on

our evolution and holding back our development by means of manipulation and catastrophes including the deluge immortalized in the Bible and many other ancient myths He shows how they still manipulate our politics and affairs via secret societies such as the Illuminati and the political elite such as the Bilderberg Group Examining ancient descriptions of the Anunnaki as entities that resemble winged reptiles or amphibians the author also explores their diet and how they feed off blood and the energies given off by lower life forms such as humans when they are expressing extreme negative emotions having sex or dying This energy feeding ability has allowed them to remain here on Earth as multidimensional entities enforcing their control invisibly He explains how the Anunnaki established religions as tools for control setting up the major religions with themselves as gods and playing them against each other to keep humanity's attention away from ongoing Anunnaki manipulation They have also hidden from us the existence of the true highest creator who created the cosmos as well as the Anunnaki themselves The author reveals how the highest creator sent a messenger called Jesus to expose the Anunnaki and show us a way out of their matrix of control through a spirituality based on love empathy and sacred sexuality But the god of the Anunnaki defeated this messenger and replaced him with a false Christ This led to the development of Paulinian Christianity under Anunnaki influence as well as other parallel religions such as Islam and the suppression and elimination of the original Christianity Gnostic Christianity With the discovery of hidden Gnostic texts and teachings at Nag Hammadi in 1945 the way is now paved for our release from the reign of the Anunnaki

first breath with the taste of summer moist and sweet flowers Gazing towards the sun she got struck with love for this short life but intense existence experience Amazing she whispers knowing that all these people that came running toward her only are soul puppets hidden in bodies as Armour for war virtual pleasure or science When for a fact the true beings were kept safe in DNA tanks just to stay alive for millions of years never seeing each other s faces for real This is life she thought even though they really don t know who they are what they are or why Anunnaki Architects of Urartu Riddick
