 Sometimes we feel a little like Peter Pan We d rather be children free of obligations and responsibilities The writers of 1 2 Peter Jude show us how God provides direction and comfort when we travel dark roads and show us what it takes to be mature in Christ First and Second Peter, Jude ,1994 *Second Peter and Jude* D. Edmond Hiebert,1989 Second Peter and Jude have been called the dark corner of the New Testament writes D Edmond Hiebert in the preface to this volume his latest work He suggests that the label dark results from the mistaken notion that these epistles deal with obsolete issues or that they contain so many things hard to be understood He insists however that Second Peter and Jude are of abiding spiritual importance for our own troubled and turbulent days In a clear concise style Dr Hiebert attempts to cast light into this dark corner With balanced scholarly research Dr Hiebert not only interprets particular phrases and verses in 2 Peter and Jude but he also strives to relate these smaller components to the overall mesage of each epistle The author also explores the relationship of 2 Peter and Jude to each other Always there is the practical emphasis on how these epistles relate to modern believers Back cover *1 & 2 Peter and Jude* Carolyn Nystrom,1992 **1 Peter, 2 Peter, Jude and James** Cameron Fultz,2017-08 A translation emphasizing the crucified life and the cross **Commentary on 1 and 2 Peter, Jude** David P. Kuske,2015 *I & II Peter and Jude* ,1960 **The Letters of 2 Peter and Jude** Peter H. Davids,2006 Filling a notable gap in scholarship on 2 Peter and Jude Peter Davids artfully unpacks these two neglected but fascinating epistles that deal with the confrontation between the Greco Roman world and the burgeoning first century Jesus communities Davids firmly grasps the overall structure of these oft maligned epistles and presents a strong case for 2 Peter and Jude as coherent consistent documents Marked by exceptional exegesis sharp independent judgments a singular combination of rhetorical and narrative analysis and timely application to the concerns of the local church Davids s work not only connects with the latest scholarship but also transforms scholarly insights into helpful conclusions benefiting all believers 2 Peter and Jude Robert Harvey and Philip Towner,2009-08-28 The miracle of being forgiven is perhaps equaled only by the wonder of also being trusted again That wondrous experience in the life of Simon Peter ultimately produced remarkable letters full of warning and hope solemn instruction and glorious promise Because of that grace in Peter s past his words in the book of 2 Peter are able to strengthen we who are his brothers and sisters in faith Jude follows 2 Peter yet because of its brevity and difficult message it is one of the most neglected books of Scripture Still it too reflects God s redemptive story and offers important insight for God s people In this volume Robert Harvey and Philip H Towner delve into 2 Peter and Jude exploring issues of authorship canonicity purpose and themes and ultimately showing how they relate to the life of the church I & II Peter and Jude Lewis R. Donelson,2010 1 and 2 Peter, Jude ,1967
