## **And Buried Cornwall Trevelyan Janie Bolitho:**

**Victims of Violence** Janie Bolitho,1999 Crushed in Cornwall is the third in a new series of mysteries set in Cornwall and featuring painter photographer Rose Trevelyan Rose finds herself at the centre of two murder inquiries **A Cotswold Casebook** Rebecca Tope,2016-10-20 A brand new collection of twelve short stories featuring the popular characters from Rebecca Tope's Cotswold mystery novels A suspicious funeral a fatal encounter at a garden centre of all places and a country walk marred by the discovery of a hidden corpse are just some of the perplexing situations with which Thea Osborne her friends and a further cast of characters must contend In this expanded view of the world of her popular books Tope reminds us that death and crime will visit even the most idyllic country villages **The Hawkshead Hostage** Rebecca

Tope,2016-05-19 Summer has come to the Lake District town of Windermere where Persimmon Simmy Brown runs her own florist shop But there's no time for her to stop and smell the roses with the shop struggling for money so a contract to provide floral displays for a hotel in Hawkshead couldn't have arrived at a better moment However Simmy's association with the hotel soon turns sinister when she finds a body in the lake To make matters worse her friend Ben Harkness responsible for calling and alerting her of the discovered body is now missing and thought to be kidnapped Caught up in both a murder and kidnapping investigation Simmy begins chasing clues left by the missing Ben With many suspicious characters bustling in and out of the hotel while simultaneously trying to cope with her father's encroaching dementia solving the puzzle seems a grueling challenge but Simmy is compelled to uncover the truth **Revenge in the Cotswolds** Rebecca Tope,2015-03-19

Thea Osborne Cotswold house sitter with an infamous reputation for getting mixed up in crime is determined to avoid trouble this time Her latest commission in the village of Daglingworth seems straightforward with most of her time spent looking after an old corgi and a hibernating tortoise Thea is ready for a relaxing if rather boring two weeks with phone calls to new boyfriend Drew Slocombe the highlight of her days Until that is a dead body is discovered in a nearby quarry **Shadows in the Cotswolds** Rebecca Tope,2013-03-23 When Thea Osborne agrees at the last minute to house sit for Oliver Meadows as a favour to her mother she expects a few days of peace with her spaniel Hepzie Uncomfortable with the news of her mother's sudden involvement with an old flame and Thea herself unsure of how to deal with her feelings for Drew Slocombe she hopes that some time alone in the historic town of Winchcombe will help to clear her head But as usual Thea quickly finds herself at the centre of a dark mystery when she discovers a dead body in the gardens of the house **The Bowness Bequest** Rebecca Tope,2017-05-18 Winter has arrived in the town of Windermere and has brought with it the death of Frances Henderson the best friend of Persimmon Simmy Brown's mother Having known the Henderson family all of her life Simmy must cope with the loss of an important figure from her childhood as well as the confusion at being bequeathed something in Frances's will When Frances's husband is violently murdered in his home Simmy must face the fact that the family she was once so close to as a child holds some dark and sinister secrets **Buried in Cornwall** Janie

Bolitho,2015-11-19 After the death of her husband Rose Trevelyan lives peacefully in Cornwall working as an artist and photographer But when she hears terrified screams as she paints the rugged Cornish countryside and a local woman is reported missing Rose finds herself suddenly caught at the centre of a police investigation With so many people who trust her Rose is reluctantly at times privy to the secrets of many When the things she is told in confidence appear connected to the investigation Rose must decide how far the bonds of friendship reach Mystery Women, Volume Three (Revised) Colleen

Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008
