And Face Deep Exploring Mysterious Person:

Distant God Chris Nye,2016-04-15 Does God feel far away There comes a time in every Christian s life when God feels distant This feeling can be confusing discouraging or even dangerous Distant God meets us in the middle of this struggle It helps us think rightly about what we re experiencing and gives practical ways for drawing near to God It answers questions like What does it mean that God is always with me What role do works like devotion confession and repentance have in all this How should I handle spiritual lows and seasons of doubt When we feel distant from God we need voices of truth speaking into our lives Drawing from the story of the prodigal son Chris Nye takes us through various reasons why we may feel this way and offers encouragement along the way This is not a book of trite answers or easy solutions but it offers specific ways of drawing near when God feels distant It also includes stories of Christians throughout history who have faced this issue in similar ways Distant God is a biblical and pastoral answer to why God might feel far away and what we can and cannot do about it

Redeeming How We Talk Ken Wytsma,A. J. Swoboda,2018-06-05 Discover why words matter in a noisy world Technology has made it easier than ever before to share just about everything pictures ideas even the ups and downs of your morning errand run Yet all our talking doesn t seem to be connecting us the way it promised to That s because we don t need to talk more we need to talk better Redeeming How We Talk explores what the Bible has to say about that central aspect of life and relationships conversation The Scriptures show us that words have remarkable power to create to bless to encourage to forgive Imagine how we as Christians could spark change in our families churches and communities if we learned to use words like Jesus did By weaving together theology history and philosophy Ken Wytsma and A J Swoboda help us reclaim the holiness of human speech and the relevance of meaningful conversation in our culture today

Less of More Chris Nye,2019-05-21 The US Constitution guarantees the right to the pursuit of happiness But for most Americans what this really means is the pursuit of more more money more prestige more stuff We ve made idols out of innovation growth power and wealth Far from offering us happiness and satisfaction this relentless pursuit of more has only left us exhausted isolated miserable and wondering if there is a better way There is Less of More exposes the American pursuit of more for what it truly is an attempt to satisfy our souls with the temporary instead of the eternal Pastor and writer Chris Nye invites us to consider what a full and abundant life looks like apart from money status and power He exposes the lies inherent in our obsession with growth fame and wealth and calls us to a countercultural life marked by connection obscurity vulnerability and generosity For anyone who has gained the world but lost their soul Less of More offers a compelling path toward a life of true deep lasting satisfaction with Jesus not us at the center of it

Supracultural Gospel Mary Lou Codman-Wilson,2022-05-24 A

Fresh Look at Contextualization Positive cross cultural communication is an essential skill when sharing the gospel Unfortunately many common Western biblical constructs create stumbling blocks for people of different backgrounds causing them to reject the gospel But that doesn t have to be the case Join Dr Mary Lou Codman Wilson and Alex Zhou as they

dialogue about Alex's experience becoming a believer in the US and his struggle to share his faith when he returned to China. They model a process of examining our cultural worldview to overcome the tensions associated with living out our faith in a context dominated by different religious or secular systems. Supracultural Gospel presents seven principles to adapt the gospel to bridge East and West essential attitudes and practices of emotionally healthy and spiritually discerning discipleship and key gospel concepts in non-Western terms while retaining biblical accuracy. Written in a highly conversational tone and validated with personal stories from many Asian internationals, Supracultural Gospel is a powerful and practical tool for those who are passionate about cross-cultural discipleship. Are you ready to unpack your worldview and embrace a supracultural gospel?

Face to Face Marty Folsom, 2016-08-31. Like falling in love, this book argues that a relationship with God begins with surprise, proceeds with discovery, and shapes a life that comes to share a story of love. This book does not describe God but pursues the nature of personally relating with the triune God. Consequently, it also engages how we relate with humans made in God's image. We finish the Face to Face series with this most mysterious and fulfilling encounter: a personal engagement with the Relational God known as a community of persons who invite us to share in their life.

The Texture of Mystery

J. Bradley Wigger, 1998. This book relies upon the revolutionary work of James Jerome Gibson and his ecological approach to perception in order to reconstruct some basic assumptions about sensing, knowing, and learning. Instead of a closed system, Gibson's work can be understood as corresponding to an open systems universe. Learning has to do with how bodily perceptual systems attend to the inexhaustible and inherently meaningful reality in which we discover ourselves.

Exploding Stars, Dead

Dinosaurs, and Zombies Andrew Root, 2017-12-05. Many things threaten the faith of youth today, but none more than science. The commitments of science and Christianity seem to be at odds: science makes truth claims based on experiments and proofs, while religion asks for belief and trust. But Andrew Root demonstrates that, in fact, the two are not incompatible. Root, a renowned expert on adolescent spirituality, shows how science overstates its claims on truth while faith often understates its own claims. Both faith and science frame the experience and reality of teenagers and both have something valuable to offer as adolescents develop. Drawing on a fictional account of a youth pastor and the various students he encounters, Root paints a compelling picture of how faith can flourish even in our scientific age.
