And Falling Like Snowflakes:

Falling Like Snowflakes Denise Hunter, 2015-09-08 Eden Martelli is too busy fleeing the clutches of danger to realize she's running straight into the arms of a new love Beau will go to the ends of the earth to keep Eden safe But who's going to protect his heart from a woman who can't seem to trust again Speeding north through rural Maine Eden Martelli wonders how her life came to this on the run with her mute five year old son dozing fitfully in the passenger seat When a breakdown leaves them stranded in Summer Harbor Eden has no choice but to stay put through Christmas even though they have no place to lay their heads Beau Callahan is a habitual problem solver for other people anyway He left the sheriff's department to take over his family's Christmas tree farm but he's still haunted by the loss of his parents and struggling to handle his first Christmas alone When Eden shows up looking for work just as Beau's feisty aunt gets out of the hospital Beau thinks he's finally caught a break Eden is competent and dedicated if a little guarded and a knockout to boot But as he soon finds out she also comes with a boatload of secrets Eden has been through too much to trust her heart to another man but Beau is impossible to resist and the feeling seems to be mutual As Christmas Eve approaches Eden's past catches up to her Beau will go to the ends of the earth to keep her safe But who's going to protect his heart from a woman who can't seem to trust again Full length Christmas themed romance novel Includes discussion questions for book clubs First book in the Summer Harbor series Book 1 *Falling Like Snowflakes* Book 2 *The Goodbye Bride* Book 3 *Just a Kiss* *The Goodbye Bride* Denise Hunter, 2016-03-08 Zac knows that if he follows his heart he'll win back the love of his life but if Lucy's memory returns his would be bride might say goodbye forever Now a Hallmark Original movie She only remembers loving him But he can't forget the way she left Lucy Lovett can't remember the last seven months of her life She doesn't remember leaving her fiancé Zac Callahan weeks before their wedding or moving to Portland Maine And she sure doesn't remember getting engaged to another man All she remembers is loving Zac more than life itself Zac was just beginning to get his life back on track after Lucy left him with no explanation And now she's back vulnerable homeless and still in love with him Has he been given a second chance with the only woman who stirs his passion and haunts his dreams Lucy knows she must unlock those missing months and discover why she threw everything away I've been a longtime fan of Denise Hunter's and *The Goodbye Bride* has everything I've come to love about her romances a plucky heroine with lots of backstory a yummy hero and a terrific setting Highly recommended Colleen Coble USA TODAY bestselling author of the *Lavender Tides* and *Hope Beach* series Can romance be any more complicated than a bride who doesn't remember running away from her groom Denise Hunter's take on a woman's attempt to find her way back to happily ever after again is sweetly endearing Readers will keep turning pages wanting to know how true love ever went so wrong and if *The Goodbye Bride* gets her chance to say I do Beth K Vogt 2015 RITA Finalist and author of *Crazy Little Thing Called Love* Denise Hunter has done it once again placing herself solidly on my must read list *The Goodbye Bride* is a tender thoughtful look at the role memories play in a romance The clever plot kept me
