**Your Best Self** James L Paquin, 2021-01-21 The journey to living your best life is paved with challenges obstacles and hardships No one has all the answers but the most effective way to reach the summit is accepting personal responsibility and continuously moving forward In this short perspective you will hear the personal account of one person's journey toward their best self This book does not take a single idea and stretch it into 200 pages attempting to justify a 15.99 price tag Instead you will get the cliff notes up front adding one more perspective to your toolset as you climb your own summit toward being your best self Through personal reflection failure and present mindfulness you can be one step closer to something great no matter what that means in your personal life As long as I can price this at 99 cents it will stay at 99 cents I just hope my stories and perspective bring you one step closer to the life you want that you continue to move forward each day and make the most of your time on this planet Who knows maybe I will get the opportunity to read your story someday James L Paquin

Goldberg, 1998 The Art of the Question extends the range of cognitive behavioral therapy by elaborating on the ways that internal questions program thought emotion and behavior. The term internal dialogue is routinely invoked to describe the thinking process yet a dialogue involves statements and questions. Statements alone tell only half the story and allow only an incomplete understanding of the thinking process. Recognizing that questions drive thoughts feelings and actions brings unique and powerful therapeutic advantages to the fore helping to crack the code on change      Who Do You Say I Am? Joanne Grenfell, Adam Atkinson, Ali Mulroy, 2024-08-30 Poetry, prayers, art and scripture meditations come together to create a reflective guide for personal and corporate devotion on the events at the heart of the Christian story from a contemporary urban perspective. Focusing on the death and resurrection of Christ this is suitable for year round use as an alternative form of the Stations of the Cross but also with a special significance for Holy Week and Easter. Arranged in 14 sections reflections by Joanne Grenfell and sonnets by Adam Atkinson explore discipleship in today's world touching on contemporary themes such as identity, truth telling, violence, abuse, racism and belonging in relation to being a follower of Jesus. Each is powerfully illustrated with original paintings by artist Ali Mulroy. The prayers are written in the first person as a devotional response to all that has gone before and each opens with a line from a fresh rendering of the Lenten Prose. The book springs from a series of talks given at St Paul's Cathedral in Holy Week 2023      **Rawspiration** Anne Meinke, 2018-01-15 Rawspiration is the book about my journey from a pink haired party girl to a crunchy mama and everything I learned along the way. This is the book I wish I would have had when I started on my holistic journey. Anne Meinke In this book I have included 64 of my favorite plant based recipes that are all free of gluten, grain, dairy, eggs, wheat and refined sugar. A list of all the ingredients and kitchen tools I use in my recipes complete with pictures and where to buy them. All pictures are clickable and will take you to where to buy. A list of my favorite packaged foods that are RawMama Approved. All the tips and tricks that would have made my journey a little less challenging. I share my personal story of transformation about my eating disorder, suicide attempts and my home birth story      The Presentation of Self in Contemporary Social Life David Shulman, 2016-04-28 The Presentation of Self in Contemporary Social Life covers the popular theories of Erving Goffman and shows modern applications of dramaturgical analysis in a wide range of social contexts. David Shulman's innovative new text demonstrates how Goffman's ideas first introduced in 1959 continue to inspire research into how we manage the impressions that others form about us. He synthesizes the work of contemporary scholars who use dramaturgical approaches from several disciplines who recognize that many values, social norms and laws have changed since Goffman's time and that contemporary society offers significant new forms of impression management that we can engage in and experience. After a general introduction to dramaturgical sociology readers will see many examples of how Goffman's ideas can provide powerful insights into familiar aspects of

contemporary life including business and the workplace popular culture the entertainment industry and the digital world
