Of Mormon South Park:

The Deep End of South Park Leslie Stratyner, James R. Keller, 2014-01-10 No American television show of the past decade has been vilified as has Comedy Central's South Park. This is the show that has featured in turn a nine year old boy enmeshed in an affair with Ben Affleck a maniacal Mel Gibson smearing feces everywhere and the misadventures of Mr Hankey the Christmas Poo a talking bouncing singing piece of poop. While it's not always an exercise in good taste South Park is a socially significant satire that has also devoted entire episodes to interpretations of Great Expectations Ken Burns Civil War and Hamlet. This volume explores the popularity and cultural relevance of South Park and its place as an artistically and politically worthy satire.

Ever After Barry Singer, 2021-09-15 Written by Barry Singer one of contemporary musical theater's most authoritative chroniclers Ever After was originally published in 2003 as a history of the previous twenty five years in musical theater on and off Broadway. This new edition extends the narrative taking readers from 2004 to the present. The book revisits every new musical that has opened since the last edition with Barry Singer once again as guide. Before Ever After appeared in 2003 no book had addressed the recent past in musical theater history an era Singer describes as ever after musical theater's many golden ages. Derived significantly from Singer's writings about musical theater for the New York Times New York Magazine and The New Yorker Ever After captured that era in its entirety from the opening of The Act on Broadway in October 1977 to the opening of Avenue Q Off Broadway in March 2003. This new edition brings Ever After up to date from Wicked through The Book of Mormon to Hamilton and beyond. Once again this is the first book to cover this new pre pandemic age of the Broadway musical. And once again utilizing his recent writing about musical theater for HuffPost and Playbill Barry Singer's viewpoint is comprehensive and absolutely unique.
