**Ted** Louise Dunham Goldsberry, 2017-03-22 Excerpt from Ted And Some Other Stories I have been very much interested in the little stories and sketches which you have been submitting to the independent There is a remarkable quality in your words which is quite unlike anything I have ever seen They seem to have that inherent value which the people who are advocating futurism in literature have been trying to get with marked unsuccess You seem to have got this quality and your words have an extraordinary way of conveying emotions directly in many cases without the medium of the intellect I have been so much interested that it has occurred to me that many other people might see the same qualities in your work which I see and I have been wondering if it would not be a good idea for you to try to publish these in a book with an introduction to the effect that they were something entirely new in writing and something which indi eates new possibilities for the future If this thought interests you I should like to have the chance to talk it over with you and see if per haps I might not help you to approach some publishers with this end m View Hoping to hear from you soon I am Very truly yours william Room burlingame About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Chicken Soup for the Father and Son Soul Jack Canfield,Mark Victor Hansen,2012-08-28 Any man can be a father but it takes a special person to be a dad Chicken Soup for the Father and Son Soul takes a peak into the lives of fathers and sons sharing the important male milestones from birth through childhood adolescence young adulthood the senior years and every step in between This is a celebration of how fathers and sons carry each other along life s journey Share the story of one man who didn t think much of becoming a father until the day he laid eyes on his son and how in a matter of moments his perspective on life and being a dad had profoundly changed forever and the touching story of a young boy who finds the father he always longed for in a special stepdad as well as the story of the love and respect between a father in law and son in law that appears when least expected Readers will be inspired by the stories of sons looking up to their fathers and learning by example and fathers recollecting their own childhoods and relationships with their own dads These insightful stories show men and boys working through the ups and downs of life learning as they go and becoming better because of their relationship with each other These powerful and poignant stories are written from every point of view fathers sons grandfathers mothers and wives everyone who has been deeply touched by the father and son relationship Letters of

Note: Fathers ,2021-05-11 A fascinating new volume of messages about fatherhood from the author of the bestselling Letters of Note collections In Letters of Note Fathers Shaun Usher collects together remarkable correspondence by and about fathers including proud parental words of love advice from experienced dads to new ones as well as letters from both frustrated and adoring offspring Includes letters by Anne Frank W E B Du Bois Jawaharlal Nehru Groucho Marx Che Guevara Ted Hughes Katherine Mansfield Fergal Keane Arthur Conan Doyle Samuel Bernstein many more Sophocles Sophocles

Sophocles,2015-07-17 Excerpt from Sophocles Translated Ted Into English Verse I could find something to say about the genius the dramatic art the diction of Sophocles something per haps about the several plays and the personages of each but for such discussions there is no room in a preface and the systematic treatment of these matters seems to belong rather to the work of a commentator upon Sophocles than of a translator A translator has under taken however unworthily to be the mouthpiece of the poet not motley on back and pointing pole in hand his showman The men and the women whom Sophocles created are here not to be talked about but to speak for themselves or else the translation is naught Whereas Oedipus was blind now he sees He stands before us About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Octopus Organization** Phil Le-Brun,Jana

Werner,2025-12-16 Drive lasting change with a new nimbler organization focused on continuous change Our organizations are stuck We talk about agility but find ourselves bogged down in bureaucracy We aspire to innovate but run into systems built to prevent mistakes not spark breakthroughs We need to learn and adapt but we're operating with an outdated playbook built for efficiency and control And our attempts to fix all this by pouring trillions into huge top down transformations make the problems worse But there is a better way Building an Octopus Organization One of nature's most intelligent and curious creatures the octopus is everything your organization needs to be smart endlessly adaptable and highly resilient Its eight tentacles work in concert but each can also think for itself This book shows how to achieve the same balance of cohesion and autonomy and to guide your organization toward a living breathing system one that learns adapts and thrives by tapping into the distributed intelligence of its people Drawing on their experience at companies such as Amazon and McDonald's and work with hundreds of global companies AWS executives Phil Le Brun and Jana Werner show you how to break away from the broken model of transformation and embrace continuous change They share thirty six antipatterns conditioned habits that keep us stuck and in their place provide levers that create meaningful improvement in months not years The Octopus Organization is your guide to moving beyond rigid structures and nurturing the living adaptable organization you aspire to create and be a part of
