**Robert Hunter,Charles Morris**

## S Similar To Hunger Games:

**Islands and Captivity in Popular Culture** Laura J. Getty, 2021-07-14 The choices that individuals make in moments of crisis can transform them. By focusing on fictional characters trapped on fictional islands the book examines how individuals react when forced to make hard choices within the liminal space of a prison island. At stake is the perception of choice do characters believe that they have the power to choose or do they think that they are at the mercy of fate. The results reveal certain patterns psychological historical social and political that exist across a variety of popular public cultures and time periods. This book focuses on how the interplay between liminality and the Locus of Control theory creates dynamic sites of negotiated meaning. This psychological concept has never before been used for literary analysis. Offered here as an alternative to the defects of Freudian psychology the Locus of Control theory has been proven reliable in thousands of studies and the results have been found with few exceptions to be consistent in both women and men. That consistency is explored through close readings of islands found in popular culture books films and television shows with suggestions for future research.

**African American Adolescent Female Heroes** Melanie A. Marotta, 2023-03-24 In the wake of the second wave of the Black Lives Matter movement inequalities and disparities were brought to light across the publishing industry. The need for more diverse representative young adult literature gained new traction resulting in an influx of young adult speculative fiction featuring African American young women. While the BlackGirlMagic movement inspired a wave of positive African American female heroes in young adult fiction it is still important to acknowledge the history and legacy of enslavement in America and their impact on literature. Many of the depictions of young Black women in contemporary speculative fiction still rely on stereotypical representations rooted in American enslavement. African American Adolescent Female Heroes The Twenty First Century Young Adult Neo Slave Narrative investigates the application of the neo slave narrative structure to the twenty first century young adult text. Author Melanie A Marotta examines texts featuring a female adolescent protagonist of color including Orleans Tankborn The Book of Phoenix Binti and The Black God's Drums as well as series like the Devil's Wake series Octavia E Butler's Parable series and the Dread Nation series. Taken together these chapters seek to analyze whether the roles for adolescent female characters of color are changing or whether they remain re-creations of traditional slave narrative roles. Further the chapters explore if trauma healing and activism are enacted in this genre.

**Suzanne Collins** Marcia Amidon Lusted, 2012-08-01 The Hunger Games trilogy spread like wildfire says Annmarie Powers a teacher in Croton on Hudson N Y in a statement to USA TODAY the Nation's No 1 Newspaper. The teacher explained that the books written by author Suzanne Collins deal with themes that teens are consumed with fairness relationships plenty of violence and blood greed hypocrisy subservience and rebellion. Collins came up with the storyline one night while channel surfing. Images of televised news coverage of the U S led war in Iraq blurred in her mind with scenes from a reality show and sparked an exciting idea. What about a story that focused on teens in a fight to the death battle

televised live from start to finish Published in 2008 The Hunger Games riveted teens and adults alike Followed by Catching Fire in 2009 and Mockingjay in 2010 each volume became an instant bestseller The books evolved into major motion pictures and Collins went behind the cameras to advise movie makers as her stories were translated onto the big screen Discover the literary and personal influences that helped Collins create one of the most challenging visions of human nature and rebellion

Panem and America. Is Panem's society an example of a possible future? ,2021-03-23 Pre University Paper from the year 2021 in the subject American Studies Literature grade 1 language English abstract The trilogy The Hunger Games by Suzanne Collins and its dystopic future of America seem to be far away from reality and very unlikely to happen But what if the story is an exaggerated representation of America's problems today Is Panem's society an example of a possible future And even more interesting is the question in which points the two societies distinguish each other and in which points do they agree In order to be able to answer these questions we need to compare both societies But to do that we need to categorize and summarize the most important aspects of both Panem and America Regarding to the mass of data about America its society and problems this elaboration will largely focus on society living conditions as well as social and structures As this elaboration uses The Hunger Games as the main source of information most aspects about America are going to be based on the structure of the book and the described society This leads us to the question of how Panem's society is defined and in which aspects it can be compared with American society First of all we need to understand Panem and its concept Then I am going to elaborate on the structure and describe and summarize based on the three main aspects of Panem its society Subsequently I am going to describe define and summarize the aspects of America's society which are important to compare with Panem It follows the comparison between both societies

Teenage Time Pamela Thurschwell,2025-07-24 Adolescence has been codified as an unpredictable experimental and liminal time Teenage Time reads this phase as queer in its framing and disruption of developmental narratives of modernity showing that the identity of the teenager as it has been culturally perceived in different epochs developing since the 1940s has shaped the temporal imaginary of the 20th and 21st century From the conception of the teenager after the Second World War through notions of rebellion and consumption peaking in the 1980s and 1990s to representations of their precarious futures amidst the political social economic and environmental uncertainties of today Pamela Thurschwell exposes British and American representations of the adolescent as both destructive and recursive in their disturbance of narrative and teleology in literature film and sub cultural history Calling on theories of queer temporality time studies psychoanalysis and Marxist accounts of modernity this book traces how the teenager is out of time and time travelling commodified anarchic futureless precarious with an uneven distribution of time in relation to race and how they confront dystopias in Young Adult catastrophe literature Covering a wide range of works this book features contemporary and YA fiction such as The Member of the Wedding American Pastoral Sula The Hate U Give The Fault in Our Stars How I Live Now Never Let Me Go The Hunger Games and They Both Die at the End

and films including *Donnie Darko* *The Breakfast Club* *Back to the Future* *Say Anything* and *Ghost World* Original and conceptually sophisticated Thurschwell demonstrates how adolescence is formed in dialogue with a crisis in and of historical time revealing the promise and destruction of the modern teenager *The Sidekick Comes of Age* Stephen M. Zimmerly, 2019-04-09 Literary sidekicks like Dr Watson and Robin the Boy Wonder have not been the singular subject of a significant critical study until now Using young adult literature YA to study the sidekick reveals new and exciting ways to understand these kinds of characters and this kind of literature YA has embraced the sidekick recognizing the way the character reflects the importance of growth and finding one's place in the world The nature of many YA texts allows sidekicks to grow beyond literary or historical origins This includes letting sidekicks evolve over the course of multiple texts using parallel novels to add complexity to a sidekick's characterization and telling a story from the sidekick's perspective paradoxically making the sidekick the hero A singularly focused and prolonged study helps to establish sidekick scholarship as a burgeoning field in and of itself *Kaapse bibliotekaris*, 2013 Issues for Nov 1957 include section *Accessions Aanwinsten* Sept 1957 *Common Sense*, 1920 **The Encyclopædic Dictionary** Robert Hunter, 1884 **Why We Behave Like Human Beings** George Amos Dorsey, 1925 **A Standard Dictionary of the English Language ...**, 1908 **Lloyd's Encyclopædic Dictionary**, 1895 *Universal Dictionary of the English Language* Robert Hunter, Charles Morris, 1897 **The Encyclopædic Dictionary**, 1896 *Harper's Weekly* John Bonner, George William Curtis, Henry Mills Alden, Samuel Stillman Conant, Montgomery Schuyler, John Foord, Richard Harding Davis, Carl Schurz, Henry Loomis Nelson, John Kendrick Bangs, George Brinton McClellan Harvey, Norman Hapgood, 1876 **The Publishers Weekly**, 2010 **Joint Volumes of Papers Presented to the Legislative Council and Legislative Assembly** New South Wales. Parliament, 1930 Includes various departmental reports and reports of commissions Cf Gregory Serial publications of foreign governments 1815-1931 **The Sportsman's Gazetteer and General Guide** Charles Hallock, 1878 **Microcomputing**, 1983 **Jamieson's Dictionary of the Scottish Language** John Jamieson, 1885
