Kicking Off Sarah Shephard, 2016-03-10 There's a battle being fought. It's raging on the sports fields in the newsrooms and behind the scenes at every major broadcaster. Women in sport are fighting for equality with more vigour than ever but are they breaking down the barriers that stand in their way? Sarah Shephard looks behind the headlines to see whether progress is really being made and tells the stories that can no longer be ignored. It's time for women to switch their focus from the battlefield to the sports field once and for all. This candid and revealing book asks the questions at the forefront of the debate about women in sport. Why do the most successful female athletes earn less than their male counterparts? Why do so few elite sportswomen have the profile their talent deserves? Why are girls still growing up believing that sport is for boys? With contributions from women involved in sport at the highest level including Chrissie Wellington, Maggie Alphonsi, Kelly Smith and Nicole Cooke who reveal their personal experiences of being at the top of their game. **One Goal** Amy Bass, 2018-02-27 In the tradition of *Friday Night Lights* and *Outcasts*, *United One Goal* tells the inspiring story of the soccer team in a town bristling with racial tension that united Somali refugees and multi-generation Mainers in their quest for state and ultimately national glory. When thousands of Somali refugees resettled in Lewiston, Maine, a struggling overwhelmingly white town, longtime residents grew uneasy. Then the mayor wrote a letter asking Somalis to stop coming, which became a national story. While scandal threatened to subsume the town, its high school's soccer coach integrated Somali kids onto his team and their passion began to heal old wounds. Taking readers behind the tumult of this controversial team and onto the pitch where the teammates vied to become state champions and achieved a vital sense of understanding, *One Goal* is a timely story about overcoming the prejudices that divide us. **The Streets Keep Calling** Chunichi, 2011-06-08 After doing a 5 year bid, all ex-drug dealer Breeze wants is a normal life with the love of his life and his children. Determined to stay on a straight and narrow path, he follows all the rules of his probation and even works a full-time job as a janitor. But when the pressure becomes too much to handle, he reverts back to what he knows best. With everything under control, he's the happiest man alive. That is, until he realizes his happiness was achieved at the cost of another man's losses. This brings Breeze back to a part of his life he'd hoped never to relive. He puts his combat boots on and is ready for war, not knowing if the battle will land him back in lockdown. In order to keep his happiness, Breeze is willing to risk it all. Bestselling author Chunichi brings readers another engaging tale of life on the streets. *The Streets Keep Calling* will make you ask yourself: How far would I be willing to go for survival?
