**The Diary of Anne Frank**

Anne Frank,1958 **The Diary of a Young Girl** Anne Frank,2011-10-05 Anne Frank s The Diary of a Young Girl is among

the most enduring documents of the twentieth century Since its publication in 1947 it has been read by tens of millions of people all over the world It remains a beloved and deeply admired testament to the indestructible nature of the human spirit Restored in this Definitive Edition are diary entries that were omitted from the original edition These passages which

constitute 30 percent more material reinforce the fact that Anne was first and foremost a teenage girl not a remote and flawless symbol She fretted about and tried to cope with her own sexuality Like many young girls she often found herself in disagreements with her mother And like any teenager she veered between the carefree nature of a child and the full fledged sorrow of an adult Anne emerges more human more vulnerable and more vital than ever Anne Frank and her family fleeing the horrors of Nazi occupation hid in the back of an Amsterdam warehouse for two years She was thirteen when she went into the Secret Annex with her family From the Paperback edition

**Anne Frank** Francine Prose,2010-10-05

In June 1942 Anne Frank received a red and white checked diary for her thirteenth birthday just weeks before she and her family went into hiding in an Amsterdam attic to escape the Nazis For two years with ever increasing maturity Anne crafted a memoir that has become one of the most compelling documents of modern history But Anne Frank s diary argues Francine Prose is as much a work of art as it is a historical record Through close reading she marvels at the teenage Frank s skillfully natural narrative voice at her finely tuned dialogue and ability to turn living people into characters Anne Frank The Book The Life The Afterlife tells the extraordinary story of the book that became a force in the world Along the way Prose definitively establishes that Anne Frank was not an accidental author or a casual teenage chronicler but a writer of prodigious talent and ambition
