## **Bird Box Epub:**

*Bird Box* Josh Malerman, 2014-05-13 A book that demands to be read in a single sitting and through the cracks between one's fingers. There has never been a horror story quite like this. Josh Malerman truly delivers. Hugh Howey, New York Times bestselling author of *Wool* Written with the narrative tension of *The Road* and the exquisite terror of classic Stephen King, *Bird Box* is a propulsive edge-of-your-seat horror thriller set in an apocalyptic near-future world. A masterpiece of suspense from the brilliantly imaginative Josh Malerman. Something is out there. Something terrifying that must not be seen. One glimpse and a person is driven to deadly violence. No one knows what it is or where it came from. Five years after it began, a handful of scattered survivors remain, including Malorie and her two young children. Living in an abandoned house near the river, she has dreamed of fleeing to a place where they might be safe. Now that the boy and girl are four, it is time to go. But the journey ahead will be terrifying: twenty miles downriver in a rowboat, blindfolded with nothing to rely on but her wits and the children's trained ears. One wrong choice and they will die. And something is following them. But is it man, animal, or monster? Engulfed in darkness, surrounded by sounds both familiar and frightening, Malorie embarks on a harrowing odyssey, a trip that takes her into an unseen world and back into the past to the companions who once saved her. Under the guidance of the stalwart Tom, a motley group of strangers banded together against the unseen terror, creating order from the chaos. But when supplies ran low, they were forced to venture outside and confront the ultimate question in a world gone mad: who can really be trusted? Interweaving past and present, Malerman's breathtaking debut is a horrific and gripping snapshot of a world unraveled, that will have you racing to the final page. A great read for spooky season nights. A perfect addition to any Halloween reading list.
