Animal Life and the Moving Image Michael Lawrence,Laura McMahon,2019-07-25 From the proto cinematic sequencing of animal motion in the nineteenth century to the ubiquity of animal videos online the histories of animal life and the moving image are enigmatically interlocked Animal Life and the Moving Image is the first collection of essays to offer a sustained focus on the relations between screen cultures and non human animals The volume brings together some of the most important and influential writers working on the non human animal s significance for cultures and theories of the moving image It offers innovative analyses of the representation of animals across a wide range of documentary fiction mainstream and avant garde practices from early cinema to contemporary user generated media Individual chapters consider King Kong The Birds The Misfits The Cove Grizzly Man and Microcosmos the work of Sergei Eisenstein Robert Bresson Malcolm Le Grice Peter Greenaway Carolee Schneemann and Isabella Rossellini and YouTube stars Christian the lion and Maru the cat

Animal Worlds Laura McMahon,2019-05-29 Focusing on a recent wave of international art cinema Animal Worlds offers the first sustained analysis of the relations between cinematic time and animal life Through an aesthetic of extended duration films such as Bestiaire 2010 The Turin Horse 2011 and A Cow s Life 2012 attend to animal worlds of sentience and perception while registering the governing of life through biopolitical regimes Bringing together Gilles Deleuze s writings on cinema and on animals while drawing on Jacques Derrida Jean Christophe Bailly Nicole Shukin and others the book argues that these films question the biopolitical reduction of animal life to forms of capital opening up realms of virtuality becoming and alternative political futures

Outside the Anthropological Machine Chiara Mengozzi,2020-05-14

In the midst of the climate crisis and the threat of the sixth extinction we can no longer claim to be the masters of nature Rather we need to unlearn our species arrogance for the sake of all animals human and non human Rethinking our being in the world as *Homo sapiens* this monograph argues starts precisely from the way we relate to our closer companion species The authors gathered here endeavour to find multiple exit strategies from the anthropocentric paradigms that have bound the human and social sciences Part I investigates the unexplored margins of human history by re reading historical events literary texts and scientific findings from an animal s perspective rather than a human s Part II explores different forms of human animal relationships putting the emphasis on the institutions spaces and discourses that frame our interactions with animals Part III engages with processes of translation that aim to render animals experience and perception into human words and visual language

Animal Remains Sarah Bezan,Robert McKay,2021-11-29 The dream of humanism is to cleanly discard of humanity s animal remains along with its ecological embeddings evolutionary heritages and futures ontogenies and phylogenies sexualities and sensualities vulnerabilities and mortalities But as the contributors to this volume demonstrate animal remains are everywhere and so animals remain everywhere Animal remains are food medicine and clothing extractive resources and traces of animals lifeworlds and ecologies they are sites of political conflict and

ontological fear fetishized visual signs and objects of trade veneration and memory they are biotechnological innovations and spill over viruses To make sense of the material afterlives of animals this book draws together multispecies perspectives from literary criticism and theory cultural studies anthropology and ethnography photographic and film history and contemporary art practice to offer the first synoptic account of animal remains Interpreting them in all their ubiquity diversity and persistence Animal Remains reveals posthuman relations between human and non human communities of the living and the dead on timescales of decades centuries and millennia
