Marietta de Vries,2010 Represent Royal Tichelaar Makkum describes the last fifteen years of the long history of this Frisian earthenware factory and the Netherlands oldest company Under the impassioned leadership of director Jan Tichelaar Royal Tichelaar Makkum is undergoing a number of decisive changes By combining century old craftsmanship with innovative projects by designers and architects he has succeeded in broadening the company s activities to include contemporary products in the fields of architecture and design The production of traditional earthenware one of Holland s most famous national products will continue alongside these new advancements In this way new products within both disciplines are being developed while traditional craftsmanship undergoes unique innovations Represent Royal Tichelaar Makkum outlines the context which gave rise to these developments and gives a picture of the many inspiring products it has generated Back cover  
Rocky Mountain Modern John Gendall,2022-06-28 Rocky Mountain Modern is a collection of the most inspiring modern residences in the Rockies a region with a surprising but deep history of modernist design Rocky Mountain Modern presents the most inspiring modern residences set within the stunning landscapes of the Rockies Perched on cliffsides or nestled into verdant valleys with expansive picture windows framing breathtaking vistas and natural materials such as wood and stone interpreted in new ways these striking homes reveal modern living at its best in the mountains Indeed modern design has a deep connection to the region in the 1940s Aspen a former mining town in the Colorado Rockies became an unlikely bastion of modernism hosting some of the world s leading designers including Herbert Bayer Eero Saarinen Buckminster Fuller and Victor Lundy Over the ensuing decades a regional modernism developed that blended clean lines open volumes and glass walls with the natural features of the rocky landscape and a vernacular that had adapted to the extreme environmental conditions Rocky Mountain Modern celebrates this enduring tradition of modernism through the most remarkable residences in the region designed by such architecture studios as Selldorf Architects Olson Kundig and Allied Works in Aspen Telluride Vail Sun Valley Jackson Hole and other picturesque locales across the Rocky Mountains from New Mexico to British Columbia **Learning from Failure in the Design Process** Lisa Huang,2020-04-03 Learning from Failure in the Design Process shows you that design work builds on lessons learned from failures to help you relax your fear of making mistakes so that you re not paralyzed when faced with a task outside of your comfort zone Working hands on with building materials such as concrete sheet metal and fabric you will understand behaviors processes methods of assembly and ways to evaluate your failures to achieve positive results Through material and assembly strategies of stretching casting carving and stacking this book uncovers the issues problems and failures confronted in student material experiments and examines built projects that addressed these issues with innovative and intelligent strategies Highlighting numerous

professional practice case studies with over 250 color images this book will be ideal for students interested in materials and methods and students of architecture in design studios      Young Projects Bryan Young,2022-06-14 This first monograph by New York based Young Projects demonstrates a new approach to spatial design that embraces ambiguity at the intersections of form type and material This monograph introduces the cutting edge research and work of Young Projects founded by Bryan Young where materiality structure and form intersect to generate new architectural typologies The book presents a selection of the practice s most relevant projects five innovative houses completed between 2015 and 2020 as well as less in depth looks at other projects that define the practice Each house serves as a chapter through which Young Projects broader body of work is explored across scales illustrated through a rich landscape of drawings diagrams renderings mock ups prototypes and photography The through line connecting all chapters is the studio s interest in using ambiguity and anomaly to create novel and accessible spaces whether for high profile clients or a new resort in St Kitts Young Projects seeks to draw users into immersive spatial experiences that unfold over time in a manner that is familiar but subtly foreign This quality of allure is a result of a unique and experimental approach to materiality and spatial legibility These are the threads that tie the work together and have set Young Projects apart as an emerging practice as well as inform the larger scale projects the studio undertakes as it enters its second decade Young Projects process often begins with simple exercises in making form finding experiments they undertake within their Brooklyn studio Material research has included hand pulling plaster with an irregular knife using furniture foam as a casting bed and forming concrete with palm stems These experiments among many others mine characteristics that are not typically associated with conventional architectural materials and break traditional methodology allowing for qualities of randomness and spontaneity to enter the process of making The studio finds that letting go of control at the right moments produces results that are often surprising entirely bespoke and resist replication

**The Inspired Workspace** Marilyn Zelinsky,2002 The Inspired Workspace takes readers behind closed doors into the creative soul of more than forty successful firms offering a rare and intimate look at work environments that contribute to the bottom line From Paris to New York to Beijing from the home studio to the office cubical to corporate headquarters this book shows readers how to set the stage for creativity The Inspired Workspace is a must for architects designers managers employees business owners CEOs and the self employed everywhere It features more than 200 full color photographs illustrating unique approaches to work and creativity in both private and public workspaces This book is the book that provides the ins and outs for creating a truly inspired workspace      Dwell ,2007-03 At Dwell we re staging a minor revolution We think that it s possible to live in a house or apartment by a bold modern architect to own furniture and products that are exceptionally well designed and still be a regular human being We think that good design is an integral part of real life And that real life has been conspicuous by its absence in most design and architecture magazines

Portland Renaissance Barry Locke,2023-11-30 There was a time in Portland Oregon long before safe bike lanes and

inviting coffee shops that the city featured an outdated downtown a lagging economy and not much hope for the future Then the 1980s and 90s came and a new Portland was making its presence felt a Portland steeped in creativity and bold initiative Eventually Portland would gain national attention in areas such as urban living advertising athletic wear dining and craft brewing That can be hard to remember in the aftermath of Covid rising crime and tent cities but beneath the graffiti Portland remains a vibrant livable city with much to celebrate Portland Renaissance reminds readers of what shaped Portland into a great city and how so much of it began in the last two decades of the 20th century     Architecture ,2001     **Crit** ,2000
