Book And Everybody Wrong About James Lindsay:

Woke Religion: Unmasking the False Gospel of Social Justice Wes Carpenter, 2021-08-03 In today's society many including Christians want to be woke But has woke become simply another religion another ploy of Satan's to shred the fabric of Christianity As woke critical theory seeps through the teachings of the Church many Christians are being misled by their own spiritual leaders to take part in the newest attempt for their souls In Woke Religion Unmasking the False Gospel of Social Justice Wes Carpenter unashamedly addresses these heretical teachings calling on those in spiritual authority to deny woke philosophies and cling to the teachings of Scripture Follow Wes as he takes the reader from the stirrings of woke critical theory in Church history to the teachings that are pervading the Church today Everybody is Wrong about God James A. Lindsay, Peter Boghossian, 2015 A call to action to address people's psychological and social motives for a belief in God rather than debate the existence of God With every argument for theism long since discredited the result is that atheism has become little more than the noises reasonable people make in the presence of unjustified religious beliefs Thus engaging in interminable debate with religious believers about the existence of God has become exactly the wrong way for nonbelievers to try to deal with misguided and often dangerous belief in a higher power The key author James Lindsay argues is to stop that particular conversation He demonstrates that whenever people say they believe in God they are really telling us that they have certain psychological and social needs that they do not know how to meet Lindsay then provides more productive avenues of discussion and action Once nonbelievers understand this simple point and drop the very label of atheist will they be able to change the way we all think about talk about and act upon the troublesome notion called God

Reinventing Racism Jonathan D. Church, 2020-12-03 The theory of white fragility is one of the most influential ideas to emerge in recent years on the topics of race racism and racial inequality White fragility is defined as an unwillingness on the part of white people to engage in the difficult conversations necessary to address racial inequality This fragility allegedly undermines the fight against racial inequality Despite its wide acclaim and rapid acceptance the theory of white fragility has received no serious and sustained scrutiny This book argues that the theory is flawed on numerous fronts The theory functions as a divisive rhetorical device to shut down debate It relies on the flawed premise of implicit bias It posits a faulty way of understanding racism It has serious methodological problems It conflates objectivity and neutrality It exploits narrative at the expense of facts It distorts many of the ideas upon which the theory relies This book also offers a more constructive way to think about Whiteness white privilege and white fragility pointing us to a more promising vision for addressing racial inequality *The St. James's Magazine*, 1862 **The Nation**, 1912 **Movies of the Sixties** Ann Lloyd, Byann Lloyd, David Robinson, 1984 **The Athenaeum**, 1912 **Academy and Literature**, 1888 **Fight the Good Fight** Jay W. Richards, James Robinson, 2024-02-13 Hard choices lie ahead Christians The bestselling team of James Robinson and Jay Richards show what's at stake in our post-Christian society how to prepare and why we must never forget

that the battle above all is spiritual Our rulers have kicked aside our Constitution and common sense They have demonized our heroes Now they re trying to erase the difference between male and female All while running up unimaginable and catastrophic debt What s left for Christians in such a society where dissent invites ruinous retribution Should they retreat Fight back Something else God is not finished with us as a nation but if we re going to get off the road to ruin we must do more than slow down and conserve whatever good remains We must repent That means a hard 180 degree turn and fast If we ll pray think straight persuade other lovers of truth to join us and fight together wise as serpents and innocent as doves then there s still hope
