Churches over the past half century It analyses issues of style and expression in a wide range of texts setting this analysis within larger contexts of ecclesiastical and societal change since the 1970s The Book of Common Prayer is taken as the benchmark of classical liturgical composition in English not only because it was the first liturgy to be composed in the language but also because of the universally acknowledged beauty of it Professor Spurr makes a detailed comparative and analytical linguistic study of the Prayer Book and the liturgies composed in English in the modern idiom He argues for a renewal of the renewal by the restoration of an appropriate solemnity and sacredness of linguistic expression as exemplified in the traditional Prayer Book rites The book also includes chapters on the role of music and of silence in worship This stimulating study will be of interest to all concerned about the future direction of liturgies in English in the Anglican and Roman Catholic Churches *1979 Book of Common Prayer Vivella Edition* Church Publishing, Church Publishing Incorporated, 1979-09 Ideal as a pew book or gift this exclusive prayer book features luxurious imitation leather binding with a soft matte finish in your choice of four colors A textured cross is embossed on the cover The prayer book is sturdily assembled with Smyth sewn pages and a spine that won't crack under heavy use A presentation page and certificates for the rites of Baptism Confirmation and Marriage are included 9 point font This is the standard Book of Common Prayer and Administration of the Sacraments and Other Rites and Ceremonies of the Church together with The Psalter or Psalms of David according to use in the Episcopal Church in the United States as authorized in 1979 Book of Common Prayer Morehouse Publishing, Morehouse Publishing Staff, 2004-05 Morehouse Publishing is pleased to offer this exclusive edition of the 1979 Book of Common Prayer Ideal as a pew book or gift this Prayer Book features a luxurious imitation leather Vivella binding with a soft matte finish A textured cross is embossed on the cover with gold lettering on the spine The cover is available in red or forest green colors available only with this Morehouse edition This Prayer Book is sturdily assembled with Smyth sewn pages and a spine that won't crack under heavy use The text is easily readable in 9 point type A presentation page and certificates for the rites of Baptism Confirmation and Marriage are included
