Book Of Esther Niv:

Esther Karen H. Jobes, 2011-02-22 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context This commentary shows how Esther is perfect guidance for us when we find ourselves in a situation where right and wrong are not so clearly defined and every choice we have seems to be a troubling mixture of good and bad Esther is perfect inspiration for us when we find ourselves in situations we never sought never planned for and don't think we have the gifts to succeed at To bring the ancient messages of the Bible into today's context each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written

The Book of Esther: Word for Word Bible Comic, 2025-04 The dramatic historical story of Purim in the time of King Xerxes and Queen Esther illustrated Faithfully researched and true to scripture this graphic novel uses the full NIV biblical text to picture the ancient world in a comprehensive Megillah From Eden to Golgotha H. H. Charles, 2021-04-23 As is well known there are various versions of the Bible But what is perhaps more important to understand is that the various versions of the Bible are the result of the work of thousands of unknown and unknowable persons who worked over several millennia on the text of various written records in different languages Biblical authorities and scholars who have studied and interpreted these texts usually arrive at a consensus of a correct or nearly correct version of the biblical text Accepting that today's biblical texts result from studied consensus of the texts of the Bible From Eden to Golgotha offers interpretations and suggested understandings that challenge and or contradict standard and accepted interpretations Some examples Why did God select the Jews as his chosen people Is there a basis for the universal condemnation of sex Of divorce Did God conclude he made a mistake in creating mankind Having foretold millennia ago the fate of the Jewish people does history down to this day document his foretelling How much of Jesus examples and teachings have been ignored by those who today flaunt their Christianity Has G K Chesterton's insight that it's not that Christianity has been tried and failed It's that Christianity has never been tried been proven true The Niv Application Commentary Karen H. Jobes, 1999-10-07 **The Message of Esther** David G.
