Books Under Fire A Hit List Of Banned And Challenged Childrens Books:

Books Under Fire Pat R. Scales, Office for Intellectual Freedom, 2014-09-01 In this important book Scales gives librarians the information and guidance they need to defend challenged books with an informed response while ensuring access to young book lovers

Children's Literature in Action Sylvia M. Vardell, 2019-06-14 This practitioner oriented introduction to literature for children ages 5-12 covers the latest trends, titles and tools for choosing the best books and materials as well as for planning fun and effective programs and activities The third edition of Children's Literature in Action provides an activity oriented survey of children's literature for undergraduate and graduate students seeking licensure and degrees that will lead to careers working with children in schools and public libraries Author Sylvia M Vardell draws on her 30 years of university teaching and extensive familiarity with the major textbooks in the area of children's literature to deliver something different a book that focuses specifically on the perspective and needs of the librarian with emphasis on practical action and library applications Its contents address seven major genres: picture books, traditional tales, poetry, contemporary realistic fiction, historical fiction, fantasy, and informational books Each chapter includes practical applications for the educator who shares books with children and who develops literature based instruction Chapters are enriched by author comments, collaborative activities, featured books, special topics and activities including selected awards and celebrations, historical connections, recommended resources, issues for discussion and assignment suggestions This new edition incorporates the 2018 AASL National School Library Standards

Scales on Censorship Pat R. Scales, 2015-04-14 Pat Scales has been a passionate advocate for intellectual freedom long before she launched the Scales on Censorship column with School Library Journal in 2006 Decades of experience as a school librarian informs her ongoing work on these important and often volatile issues as did her tenure in leadership roles on the American Library Association's Intellectual Freedom Committee and at the Freedom To Read Foundation It also earned her a place among the inaugural list of Library Journal's Movers Shakers in 2002 Since her first column for SLJ she has been in an ongoing conversation of sorts with librarians, teachers and parents a much needed conversation This collection of the wide ranging questions from readers and Scales' informative answers are gathered in broad thematic groups to help readers explore the all too daily reality of confronting efforts to censor, ban or otherwise limit open and ready access to materials in our schools and libraries They were all written in response to active book challenges or questions of intellectual freedom and library ethics These columns have a ripped from the headlines immediacy even as they reflect the core values and policies of librarianship They are organized by topic and each is framed with a brief new introductory essay Scales' powerful reputation and practical, ethically based solutions has made her a key spokesperson and support for librarians working under a censorship siege Her passionate, unwavering voice provides valuable strategic and tactical approaches to censorship, fine tuned insight into individual books often challenged and critical moral support for managing trying conversations Scales is focused throughout on fostering a culture that embraces and understands the

importance of intellectual freedom and the tools to make it a reality every day in our libraries schools and communities Learn from her to build a background in the ethics involved in defending intellectual freedom and lean on her for insights into real life situations Scales on Censorship is an essential ally in the ongoing fight Sex, Brains, and Video Games Jennifer Burek Pierce,2017-03-09 How do we break through and truly reach our young adult patrons It begins with understanding them Librarians who work with teens need information and a big picture perspective on adolescence that reflects the latest knowledge of cognate fields and the contemporary realities of young people s lives In this greatly revised and updated edition of her popular guide Burek Pierce provides exactly that selecting and synthesizing emerging information from multiple fields of research to effectively support librarians work with teens Far reaching but pragmatic this book discusses such important topics as identity and community sex and sexualities what experts can tell us about the adolescent brain and how teens use technology to mediate the world replaces outdated developmental theories that have been discarded in their home fields but are still sometimes used in the LIS world looks at how to blend what research tells us about teens with day to day work in libraries reflects new norms of professional practice such as the increased importance of community engagement and partnerships offering librarians a path towards cooperation and collaboration with peers outside the library world and includes a bibliography of essential reading for YA librarians Educators and practitioners as well as students preparing to enter the field will all benefit from this compact overview of contemporary research on adolescence Teaching Banned Books Pat R. Scales,2019-11-11 As standard bearers for intellectual freedom school and children s librarians are in ideal positions to collaborate with educators to not only protect the freedom to read but also ensure that valued books which touch upon important topics are not quarantined from the readers for whom they were written **Quill & Quire** ,1986 *Mississippi Libraries* ,1993 **Library Literature** H.W.
