Accounting Multicolumn Journal Approach Kenton E. Ross, Claudia B. Gilbertson, Mark W. Lehman, Robert D. Hanson, 1998-07-21. Century 21 Accounting Celebrates 95 Years of Excellence. South Western's 95 years of accounting leadership is the culmination of generations of commitment to teacher and student needs. Why do thousands of teachers choose Century 21 Accounting each year? Content: The fundamental accounting content you've come to trust from South Western remains in the Seventh Edition. Illustration Placement: Students often use the illustrations as the starting point for understanding accounting. To meet this need, our illustrations are consistently placed at the top of the page and include step-by-step instructions. The supporting text reinforces concepts presented in the illustrations for complete accounting instruction. South Western is the only publisher that covers all three concepts of the accounting cycle. The Multicolumn Journal Approach starts with the traditional multicolumn journal through Cycle One and Two and moves into special journals in Cycle Three. Individual Lessons: Each chapter is divided into three or four lessons with corresponding assessment activities right at the point of use. These focused lessons improve student comprehension by providing immediate reinforcement of accounting concepts. Automated Accounting in Every Chapter: Computerized accounting is a reality in the workplace, and we've responded by moving Automated Accounting sections into
