

- Swipe left, right, up, or down on the Touch surface to highlight items during setup.
- To select a highlighted item, press the Touch surface.

When you press the Touch surface, the remote makes a clicking sound.

For more information about Apple TV Remote functions and buttons, see [Navigate Apple TV](#).

Not all features and content are available in all regions.

## Set up Apple TV

To use Apple TV, you need:

- A high-definition or 4K TV with HDMI
- An HDMI cable to connect Apple TV to your TV (for 4K HDR, you may require a compatible Ultra High-Speed HDMI cable, sold separately)

- Access to an 802.11 wireless network (wireless streaming requires 802.11a, b, g, or n) or an Ethernet network and broadband Internet
- An iTunes Store account for iTunes purchasing and renting, downloading apps from the App Store, and using Home Sharing

To take full advantage of Apple TV 4K's audio and visual capabilities, you'll need a TV that supports 4K, HDR, and Dolby Vision, and a sound system that is Dolby Atmos-compatible.

For more information about setting up Apple TV 4K with a 4K TV, see the Apple Support article [About 4K, HDR, and Dolby Vision on your Apple TV 4K](#).

For more information about setting up Apple TV 4K for surround sound, including Dolby Atmos, see the Apple Support article [Play audio in Dolby Atmos or surround sound on your Apple TV](#).

### **Events That Formed the Modern World**

Frank W. Thackeray, John E. Findling, 2012-05-31 This comprehensive five volume set contains readable essays that describe and interpret the most important global events since the European Renaissance some accompanied by related document excerpts and primary source materials What were the effects of the Age of Exploration on today s ethnic groups and social structure How did the development of moveable type pave the way for Facebook and Twitter Why is the Reformation so critical for understanding today s religious controversies This set will help readers answer these questions by exploring the most significant historical events of the modern world This five volume set covers times from the Renaissance to the present Each volume focuses on a specific historic period and examines 12 events within those time frames that changed the world Each entry provides an introduction that lays out factual material in a chronological manner an in depth essay interpreting the event s significance and an annotated bibliography of the most important current works on the topic Select entries are followed by primary sources pertaining to the event under consideration such as diary entries Targeted to both general readers as well as entry level university students this book also directly supports high school and undergraduate curricula allowing students to identify and contextualize events in order to think critically about their causes aftermath and legacy

*Handbook of Marketing Analytics* Natalie Mizik, Dominique M. Hanssens, 2018 Marketing Science contributes significantly to the development and validation of analytical tools with a wide range of applications in business public policy and litigation support The Handbook of Marketing Analytics showcases the analytical methods used in marketing and their high impact real life applications Fourteen chapters provide an overview of specific marketing analytic methods in some technical detail and 22 case studies present thorough examples of the use of each method in marketing management public policy and litigation support All contributing authors are recognized authorities in their area of specialty

*TV Guide*, 1996 Communication and Economic Life Liz Moor, 2021-11-30 When we talk about media and the economy the economy is usually understood as the macro economy or GDP while the media usually refers to television and print news or the digital

output of mainstream news providers But communication about money and the economy in everyday life is far more wide ranging than this It is also changing opportunities to discuss economic matters whether public or personal have proliferated online while new payment systems and shopping platforms embed economic behaviour more deeply into communications infrastructures Challenging earlier narrow definitions this ambitious book offers a new framework for thinking about the role of communication in our economic lives Foregrounding the broader category of communicative practices the book understands economic life not only in terms of the macro economy but more sociologically as a set of processes of providing for material wants and needs How we talk about these wants and needs and our means for meeting them is how we come to understand our economic lives as meaningful The book explores how our economic lives are constructed communicatively in a variety of modes that move through but also exceed mass media from the symbolism of credit cards to the language used by economists and from social media promotion to debates in online forums Communication and Economic Life is a vital resource for students and scholars in media and communications and sociology and for anyone interested in how we talk about economic lives
