Korea had successfully orchestrated an Electromagnetic Pulse EMP attack that did exactly what China had hoped for split the United States into warring factions unleashing a level of violence and terror that would have made even the biggest horror movie fans go pale How could this have happened so easily Is there anything that could bring the US back In a struggle for power and territory there seems to be no depth of immorality that people won't sink to including former Vice President Sirrah who assumed control of the presidency and claimed a critical territory in the northeastern states now known as The Meg Citizens are operating in survival mode making the boundaries of good versus evil right versus wrong and patriot versus rebel all the more unclear From food shortages to new foreign invasions nuclear threats to voracious hogs in the NYC subway tunnels American Calamity The Continentals leaves no terrifying stone unturned in the sequel to the acclaimed dystopian page turner American Calamity Perhaps the most alarming of all is that this fiction doesn't stray far from what could be a future reality Are you ready to get deeply immersed back into Moore's post apocalyptic reality Don't worry Spanky the old military tank with a never say die spirit has got your six American Calamity The Continentals continues the story of Moore's journey into the abyss of a worldwide nuclear disaster From a rag tag group of regional rebels to a growing North American movement American Calamity The Continentals provides hope in a country where little exists A hope continually challenged by America's enemies both foreign and domestic American Calamity The Continentals is perfect for fans of One Second After Edge of Collapse and Out of the Ashes
