Together the Warriors join Earth's rebels and use their abilities to fight the Dominion. But rebel politics are complicated. And always the Dominion threatens its subjects with an unstoppable weapon: the dehumanizing DRK virus. For centuries no one has been able to stop the Dominion, and the DRK. Can four Warriors really make a difference? The Ebonite and Her Earthling True heroes sacrifice for the benefit of others, even others most alien. For the Kota Warriors, everything has changed. Ebon, their new home, is a desolate planet never meant for human life. The native Kynajabi creatures threaten the Ebonite colonists' survival, and the ruling Council has sent their army to eradicate the beasts. Many soldiers have died, and fear grows over the dark planet with every Kynajabi attack. The Warriors are soon entangled in the turmoil of this new world. The Warrior Seer becomes a god-prophet working to guide the suffering Ebonites and veterans of the Kynajabi Eradication Effort. The Hunter and Fighter continue to search for their missing Earth enemy, but soon an unexpected source tells them of a new mission. And the Leader, If Cliqani, can heal her mysteriously resurrected Earthling patient, hope may return to Ebon. But should Cliqani heal the woman only to send her to the army and her probable death? As snow begins to fall, the army nears the Kynajabi nest. However, Trok's Ebonite friend holds the secret that will truly restore peace for Ebon and its inhabitants if they will listen. Pharmakon: We only get a few second chances. In Phantasya's supernatural paradise, the Warriors and their friends hope to rest for a while. Soon, however, trials and revelations arise for each Kota Warrior. Rave and Arctos travel back to Ebon to finish a mission they thought was over this time, with a shocking ally. Amu, struggling to find her place again, teleports to Rowen and discovers a secret hidden since Earth Left on Phantasya. Kynacoba and Galcon fight a devilish enemy who could lead the natives into horrific rebellion against their Guardian. Meanwhile, the isolation of Trok's immortality begins to take its toll. Knowing how this future ends, he must do what's best for everyone involved. But Phantasya is a world fated to test man's faith, and the Phantasians aren't the only ones plagued by doubt. How do you best fight a losing battle? The more the Warriors discover, the trickier their choices become. Zenith: Prophecies of Love and Hate, Good and Evil, Light and Dark. The Kota of Zenith have waited centuries for the Warriors. They've thrived on their beautiful Earth-like planet, although nobles hoard wealth in the Sky while Ground commoners grow hostile. Now Empress Jen Mu Ril insists that Rave force the last Kota prophecy in order to bring peace to their world. But the Warriors know what this prophecy will mean for Kynacoba. And have the Kota learned nothing about faith in five hundred years? Shocking them all, the Warriors' greatest enemies are discovered on Zenith. It's then that Amu's Magi mission becomes clear. Everything they've fought for as the Warriors comes together in one last desperate mission. They must save their people and stay strong, even after one of their own is murdered. With the help of Neema and Toel, two Zenoës with secrets of their own, the Warriors must discover what it truly means to be Kota. Only then can they fulfill their duty and reach the promised Re-Life of peace.
