**The Quintessential Dictionary** I. Moyer Hunsberger,1978      **Brutally Honest Fast Food Reviews: The Best and Worst of Burger King, McDonald's, Taco Bell, and Other Drive-Thru Mainstays** Hyperink Original,2012-07-25

Congratulations If you're a connoisseur of fast food consider this to be your fast food yearbook allowing you to look back at many of the salty fatty and or sugary menu items you may have passed through your digestive system but in a non artery clogging and non blood pressure raising way unless you're eating fast food while reading this There are dozens of reviews in this book mostly from fast food behemoths like McDonald's Subway and Taco Bell but there are also reviews from medium sized fast food chains like Jack in the Box and Dunkin Donuts and from smaller chains like Carl's Jr and Whataburger Most of the products reviewed can still be found on fast food menu boards or in the McDonald's McRib's case it comes back every so often for a limited time but some are buried in the discontinued fast food graveyard never to be consumed again These fast food reviews were originally posted on our blog The Impulsive Buy [theimpulsivebuy.com](http://theimpulsivebuy.com) which is one of the internet's premier websites for junk and fast food reviews Actually we're not 100 percent sure the last part of the previous sentence is true but our cumulative blood pressure and cholesterol levels make us feel like we are      Advertising Annual ,1994

Auction for Burger King Carliss Y. Baldwin,2005      Burger King: Changing or Imitating? Anthony Vu,Daniel Bo,Joseph Brooks,Victoria Cheng,Melody Tsang,2013-01-04 Master's Thesis from the year 2012 in the subject Business economics Offline Marketing and Online Marketing grade A Santa Clara University language English abstract Purchased in 2010 by 3G Capital Management BK became privately owned with a single business corporate strategy Immediately the new ownership group set out to make impactful company wide changes The first change was the elimination of the firm's King mascot in 2011 which was seen as edgy and targeted towards young men in their teens and twenties The new phase which began earlier this year consists of a drastic change in overall brand strategy to reposition BK as a broad and appealing restaurant in the QSR industry To attract a wider audience such as women and health conscious customers BK has added a significant amount of menu items including smoothies coffee drinks and salads Furthermore it has set out to remodel around 1 500 restaurants In place of the previous mascot BK has enlisted A list celebrities i.e David Beckham and Selma Hayek to advertise its products Another strategy that they plan to implement is to sell almost all of its 1 300 corporate stores to franchise stores in an effort to protect itself from commodity cost swings and fixed costs With significant competition from both current as well as fast growing QSRs i.e Five Guys Burgers and Fries Panera Bread and Chipotle Mexican Grill BK's recent moves have been perceived as imitating the leader McDonald's rather than differentiating the company While it remains to be seen whether or not the strategy is enough to grow the business a potential concern is whether 3G Capital Management is looking for long term growth or settling for marginal growth in the short term to fund their exit from the company by going back to a public entity The current strategy conveys that BK is in catch up mode instead of trying to

distinguish itself as a premier QSR Considering both internal and external factors the firm needs to win back and increase its customer base as the way to grow its business To do this some recommendations for BK in the short term are to introduce a happy hour that includes an accommodating menu of new products offer nutritious kid s meals that are part of a healthy balanced diet and launch an online ordering system for customers to pre order meals for pick up In the longer term we suggest BK buy out the highest performing franchises to gain additional streams of revenue implement an incentive program to reward the best franchise stores and start a high density delivery service
