A Burmese Loneliness: (Abridged) C.M. (Colin Metcalfe) Enriquez, 2017-09-18 Born in India to British parents Colin Metcalfe Enriquez had a natural affinity for SE Asia After education in England he was commissioned an officer in the army and posted back to India A born explorer keen observer and practised writer he studied the people languages and natural world of India and Burma today s Myanmar As he writes in this book he saw modern materialism as a burden and a happier life of simplicity in the native peoples of Burma He writes Consider our little span of life and how hard we strive Yet like these simple folk we go forth hence naked out of it I do not suggest that we can help materialism It is bequeathed us from the past Doubtless it is based upon necessity I only compare it with the contentment we rather despise as primitive So many ideals have gone overboard since 1914 World War I But it s the burden of loneliness that accompanies every remote traveler that Enriquez writes of here How each person deals with it is different Again he writes The memory of the outside world alone breeds restlessness The capacity for solitude is praised over and over again in the Buddhist books I have understood a little now why that is so No man can endure loneliness whose heart is bound to materialism who is not wholly free from desire Well known in his own lifetime this lovely out of print 1918 classic is available for the first time in an affordable well formatted book for e readers Be sure to LOOK INSIDE or download a sample *The Advocate*, 2004-08-17 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States [Burmese Classical Poems](#) Friedrich Voldemar Lustig, 2018-05-05

Excerpt from Burmese Classical Poems Selected and Translated Only poetic elevated emotions stirring the imagination of all can lay bare the meaning of a culture For this reason I am attracted by Burmese lyrical art and find the poetry of Burma irresistible Apart from universal human themes ever present in Burmese poetry is an intense expression of a spiritual way of life and the ethical experience The profound active humanism of the common man is verbally outlined in a form which often turns their poetry into music That is why the Burmese lyrical art with centuries old traditions rich and variegated arouses a wondering and eager interest About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
