Rebecca can't even run the PTA's annual food drive without getting mixed up with criminals.

Only Dead on the Inside James Breakwell, 2017-10-10
It's not easy being a parent these days. There are bills to pay. Kids to feed. And hordes of undead monsters to keep at bay. There are plenty of guides out there about how to survive the zombie apocalypse. All of them assume readers are young, fit and unencumbered by children. In that scenario the only living humans left will be smug outdoorsy Millennials. That's hell on earth even without the zombies. *Only Dead on the Inside* is the answer for the rest of us. Written by professional comedy writer and amateur father of four James Breakwell. *Xploding Unicorn*. *Only Dead on the Inside* blends traditional parenting advice with zombie survival tips, bringing together two totally unrelated genres in a book no one asked for but everyone needs. This step-by-step manual teaches you how to raise happy, healthy children in a world overrun by the undead. Motivated moms and dads want it all and that won't change at the end of the world. There's no reason you can't be a zombie-killing machine AND parent of the year but you have to work for it. If you want to make sure your family is apocalypse-ready, *Only Dead on the Inside* is your best and only chance at survival. No pressure but if you don't read this book your children will die.
