## **Business Law Nickolas James:**

*Business Law* Nickolas James, 2008-12-16    *Business Law* Nickolas James, 2024-11-04    Designed specifically for business students James Business Law 7th Edition provides a comprehensive introduction to the fundamentals of business law. Tailored to accommodate the initial encounter with legal principles for business students this textbook offers a clear and accessible pathway into the realm of law. Unlike traditional texts from leading legal publishers Business Law 7th Edition prioritizes a practical approach emphasizing real world applications over doctrinal intricacies. By demystifying complex legal concepts and presenting them within a business oriented framework this textbook equips students with the necessary foundation to navigate the legal landscape with confidence.    *Business Law* Nickolas James, 2021-09-10    [Business Law](#), [Google eBook](#) Nickolas James, 2012-02-02 Business Law 2e is the new edition of a textbook that has been positively launched into the higher education market. The text presents business law principles in a clear and easy to understand style. The objective of a business law subject is to ensure that students acquire enough knowledge of the law of business so they can recognise and solve simple legal problems, organise their affairs in order to avoid more complex or serious legal problems and appreciate the connection of legal principles within a range of commercial environments. As the majority of students are required to study business law as part of either a commerce or business degree this textbook follows a functional approach to the study of business law rather than doctrinal so the principles of business law are contextualised within a business environment. Business students need to know more than what the law is; they need to know where to find it, how to read it, how to use it and how it impacts on all facets of business. Students who use this textbook will develop a greater awareness of the law and its broad application to business and commercial environments.    [Business and Company Law, 2nd Edition](#)
