

## Standard Return Policy

Last week

There are a few important things to keep in mind when returning a product you purchased from the U.S. Apple Online Store:

- You have 14 calendar days to return an item from the date you received it. For an Apple iPhone, you have 30 calendar days.
- Only items that have been purchased directly from Apple, either through the Apple Online Store or at an Apple Retail Store, can be returned to Apple. Apple products purchased through other retailers must be returned in accordance with their respective returns and refunds policy.
- Please ensure that the item you're returning is repackaged with all the cords, adapters and documentation that were included when you received it.
