**Managing Agribusiness Effectively** Aayushman Dutta,2025-01-03 The illustrations in this book are created by Team Educohack. Managing Agribusiness Effectively equips managers with the essential knowledge for technological and economic management of agricultural activities. We start with an introduction to agribusiness focusing on the global agri food system and evolving agricultural practices. You'll learn management principles for planning, organizing, controlling, and directing functions across different stages of agriculture. This innovative book blends traditional and modern management approaches aiming to develop the business aspect of agriculture. We provide step by step guidance for planning and managing activities strategically. By the end, you'll be able to apply management principles effectively. Our book also addresses marketing strategies for agri products and staying competitive. We consider farmers' fundamental needs and higher order operations discussing management challenges and market demands. Based on extensive studies and research, this book is a reliable guide for daily management issues in agribusiness.
