Hopkins,2015-07-12 Excerpt from From Bull Run to Appomattox A Boy s View Life is the mirror of the king and slave Tis just what you are and do Then give to the world the best you have And the best will come back to you I never thought that I should be guilty of writing a book I did not however do this with malice aforethought My son is responsible for whatever sin I may have committed in presenting this to the public He and I have been good friends ever since we became acquainted and he has always insisted upon my telling him all that I know When he was about three years old he discovered that I had been a soldier in Lee s army from 1861 to 1865 and although he is of Quaker descent and a loyal member of the Society of Friends and I am half Quaker yet he loved war stories and I loved to tell them This accounts for the production of the book After I had told him these stories over and over again and again when he was grown he insisted upon my starting at the beginning and giving him the whole of my experience in the Confederate army Then he wanted it published I yielded to his request and here is the book This is not however an exact copy of the typewritten manuscript which he has The original manuscript is more personal I thought the change would make it more acceptable to the general reader About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      Four Brothers in Blue Robert Goldthwaite Carter,2016-09-04 Excerpt from Four Brothers in Blue or Sunshine and Shadows of the War of the Rebellion A Story of the Great Civil War From Bull Run to Appomattox This volume gives a full narrative sketch taken from the letters and diaries of these four brothers covering the four years of the Civil War from First Bull Run to Appomattox Court House of what they saw and did and is replete with reminiscences stories etc of a period of bloody war such as the world had never before witnessed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      In Camp and Battle With the Washington Artillery of New Orleans William Miller Owen,2018-02-04 Excerpt from In Camp and Battle With the Washington Artillery of New Orleans A Narrative of Events During the Late Civil War From Bull Run to Appomattox and Spanish Fort I remember the

last sentence of the order it read as follows In the event of the defeat of the enemy he is to be pursued with cavalry and artillery until he is driven across the Potomac About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Bull Run** Robert Matteson Johnston,1913

*The Richmond Campaign of 1862* Gary W. Gallagher,2000 Whiting s Confederate division in the battle of Gaines s Mill the role of artillery in the battle of Malvern Hill and the efforts of Radical Republicans in the North to use the Richmond campaign to rally support for emancipation BOOK JACKET **The Civil War Diaries of Cassie Fennell** Whitney A. Snow,2024-01-12 Born near Guntersville Alabama Catherine Cassie Fennell was nineteen when the Civil War began Starting with her time at a female academy in Washington DC the diaries continue through the war s end and discuss civilian experiences in Alabama and the Tennessee Valley Fennell believed that by keeping a diary she made a small contribution to the war effort and history itself Fennell was fairly well off and highly educated moving easily in very elite social circles Most of her relatives were staunch Confederates and the war took its toll with multiple members of her family killed or captured As Fennell recounts the consequences of war the downward spiral of the family fortune the withering of hope at news from the battlefield and the general uncertainty of civilian life in the South her diaries constitute one of the few contemporaneous records of north Alabama including the shelling and burning of Guntersville which has been poorly documented in the historiography of the Civil War While the first diary is written as a private reflection the war journals are well researched and rely on extensive familiarity with local newspapers and seem like they are intended for the eyes of later generations Ultimately these diaries amount to a social history of the war years in a specific region where scholars have recovered relatively few firsthand accounts and editor Whitney Snow s compilation adds to the now growing genre of women s Civil War diaries Insightful and engrossing *The Civil War Diaries of Cassie Fennell* is a compelling portrait of a privileged young woman who suffered devastating losses for her ardent support of a Confederate nation *Flying Magazine* ,1959-01

**LIFE** ,1958-10-27 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *Hi Fi/stereo Review* ,1961 *Classics Illustrated* William Bryan Jones, Jr.,2024-05-13 In its expanded third edition this definitive work on *Classics Illustrated* explores the enduring series of comic book adaptations of literary masterpieces in even greater depth with twice the number of color plates as in the second edition Drawing on interviews correspondence fanzines

and archival research the book covers in full detail the work of the artists editors scriptwriters and publishers who contributed to the success of the World's Finest Juvenile Publication Many previously unpublished reproductions of original art are included along with new chapters covering editor Meyer Kaplan art director L B Cole and artist John Parker additional information on contributions from Black artists and scriptwriters such as Matt Baker Ezra Jackson George D Lipscomb and Lorenz Graham and a complete issue by issue listing of significant international series

**From Bull Run to Appomattox** Hopkins Luther W, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

**Civil War**, 1996 **Civil War Book Review**, 1999 *From Bull Run to Appomattox a Boy's View* Luther Hopkins, 2012-11-20 I never thought that I should be guilty of writing a book I did not however do this with malice aforethought My son is responsible for whatever sin I may have committed in presenting this to the public He and I have been good friends ever since we became acquainted and he has always insisted upon my telling him all that I know When he was about three years old he discovered that I had been a soldier in Lee's army from 1861 to 1865 and although he is of Quaker descent and a loyal member of the Society of Friends and I am half Quaker yet he loved war stories and I loved to tell them This accounts for the production of the book After I had told him these stories over and over again and again when he was grown he insisted upon my starting at the beginning and giving him the whole of my experience in the Confederate army Then he wanted it published I yielded to his request and here is the book This is not however an exact copy of the typewritten manuscript which he has The original manuscript is more personal I thought the change would make it more acceptable to the general reader We all believe in peace universal peace but when war does come and such a costly war as the one from which this story is taken we ought to get all the good out of it we can The long marches along dusty roads under hot suns the long marches through sleet and snows the long dreary nights without shelter the march of the picket to and fro on his beat the constant drilling and training the struggle on the battlefields all these are part of the material that the world has always used in constructing a nation While there are some things about war that we should forget there are many things that ought never to be forgotten but should be handed down from sire to son all through the ages that are to come Historians have told us much about our Civil War but they have left out the part that appeals most to the boy and it is this part that I have tried to bring before the public Men may read the book if they will but it is written more particularly for the youth The boy of today and the boy that is yet to be ought to know of the bloody sweat through which this nation passed in reaching its present position among the great nations of the earth and the part the boy played in it It is said that one boy is a boy two boys a half boy and three boys no boy at all That may be true of the boy running loose

unbridled like a colt but gather up these boys and train them harness and hitch them and they will move the world or break a trace It is the boy who decides the fate of nations I don t know the average age of our soldiers in times of peace but when wars come and there is a call for soldiers it is mainly the boy in his teens who responds yet strange to say the historian has never thought it worth while to put much emphasis upon what the boy does in the upbuilding of a nation Another thing that has been neglected by the historian is the brave and noble part the horse took in our war The grays the bays the sorrels the roans the chestnuts have not been forgotten in this story Indeed as I have already said I have tried to bring to light that part of the story of our Civil War that has not been told      *From Bull Run to Appomattox* L.
