

## FOREWORD

This manual contains an introductory description of the Suzuki vehicle and procedures for its inspection, maintenance and overhaul of its main components. Other information contained in generally known or referenced.

Read the **GENERAL INFORMATION** section to become familiar with the motorcycle and its maintenance. Use the section as well as other sections to serve as a guide for proper inspection and service. This manual will help you serve the motorcycle well so that you can ensure your satisfaction of use and reliable service.

- This manual has been prepared on the basis of the usual specifications of the basic production. Improvements have been made where any differences may exist between the content of the manual and the actual motorcycle.
- Illustrations in the manual are used to show the basic principles of operation and maintenance. They may not represent the actual motorcycle exactly in detail.
- This manual is written for persons who have enough knowledge, tools and time, including special tools, for carrying out basic maintenance. If you do not have the proper knowledge and tools, ask your authorized Suzuki motorcycle dealer to help you.

## WARNING

Inexperienced mechanics or mechanics without the proper tools and equipment may not be able to properly perform the services described in this manual. Improper repair may result in injury to the mechanics and may render the motorcycle unsafe for the rider and passenger.
