In *The 9 Faces of HR* popular blogger and CHRO Kris Dunn introduces a powerful framework that helps HR professionals identify their face through a behavioral assessment then use that insight to drive personal and professional growth. Covering career paths, behavioral traits, ROI potential, industry trends and demand for each face, the book offers a strategic lens for understanding how HR roles vary and how to move from where you are to where you want to be. Ideal for HR practitioners at all levels, this is a blunt, practical and empowering playbook for building high impact careers and teams. **Proving the Value of HR** Jack Phillips, Patricia Pulliam Phillips, 2012-07-01 Measuring the return on investment (ROI) of human resources programs is critical for success in today's business world and is an absolute requirement for HR professionals who are part of the senior executive team. This revised and updated second edition of *Proving the Value of HR* illustrates the use of ROI methodology as a communication tool that strengthens the relationship with senior management as well as a process improvement tool that enhances and improves HR's contributions to the bottom line. With this guide, HR managers will prove their value to their companies by learning how to measure ROI in a variety of programs, policies, practices and solutions, develop the ROI of HR with basic step-by-step instructions and collect, analyze and report data with sophistication. *From Hello to Goodbye* Christine V. Walters, 2017-06-09 Understanding the full scope of the employee experience from entry to exit strengthens HR's impact and mitigates risk. Evaluating the complete employment relationship in reverse from departure through hire, *From Hello to Goodbye* is the HR professional's complete guide to understanding the various ways business relationships end, managing disability and leave issues properly, classifying workers, maintaining an inclusive workplace, increasing retention and avoiding litigation. This updated second edition incorporates new legal developments, best practices and compliance requirements while offering practical advice on managing emotional reactions, making the case for inclusion and addressing workplace safety. A trusted resource for HR professionals, the book blends legal insight with hands-on tips to support both people and organizational health. **The Price of Pettiness** Alexander Alonso, 2019-06-21 Beyond the usual everyday annoyances and exasperations we all experience in the workplace, pettiness limits careers and opportunities on a broad scale and sometimes crosses the line into criminal behavior. Based on recent research conducted by SHRM, this groundbreaking book examines the seemingly limitless depths of workplace pettiness as well as the remarkable heights of creativity it seems to inspire in people and delivers proven tools for anyone to spot pettiness and deal with it directly. In addition to revealing the root cause of pettiness and what can be done to eliminate it, Dr. Alonso also offers insights into the personal and organizational costs associated with petty behavior and shows how HR can be its most fierce adversary. But perhaps best of all, he shares some of the most incredible true stories about petty behavior in the workplace you'll ever read. Filled with unforgettable examples, this is essential reading for anyone ready to build a healthier, more productive workplace. **Outstanding outsourcing** Randev Dias, 2015-02-24 Master's Thesis from the year 2014 in the subject Business economics, Business Management, Corporate Governance, grade 10, course Masters in Business Administration, language
