Activating Gods Power Steve Transformed:

God Is CrazyAbout You! Steve Johnson,2015-04-08 Do you hunger to experience the love that the first disciples felt Are you tired of just doing more and more rather than having a love affair with God Are you burdened with guilt If you answered yes to any of these questions this book is for you Be prepared to be blown away by the whole truth of Gods love Through careful Bible study stories and illustrations you will learn the whole truth You will see some Bible verses that preachers have never taught you and learn what the true gospel is *One Thousand Years* David Coleman,2019-12-12 Imagine Jesus ruling over a kingdom that encompasses the entire planet with no one denying that Christ is God Perfect justice will prevail throughout the world and any rebellion will draw quick retribution Righteousness will triumph over evil everywhere and God s glory will extend from Jerusalem to the ends of the earth The greatest thing about the above scenario is that it is true Yet because many sermons and Bible studies on prophetic subjects tend to focus upon darker events foretold in Scripture most believers know little about it Handed pen and paper many believers could probably write out relatively well informed descriptions of end time topics such as the Tribulation the Antichrist and the Battle of Armageddon but ask them to describe the Millennium and many would respond with a blank stare If that describes you this book will fill you in on the bright future that awaits you *One Thousand Years* provides an overview of Christ s glorious earthly kingdom and explains why its literal fulfillment is guaranteed in Scripture Activating God's Power in Steven Michelle Leslie,2015-07-09 Do you want to pray with power and see results Readers of *Activating God s Power* by Michelle Leslie will learn what to pray and to confidently claim answers to prayer This personalized book is a guide to praying according to God s Word You will discover hundreds of Scripture based prayers for all of life s situations from finding your identity in Christ to awakening God s favor in your life to overcoming the trials of life with spiritual warfare When we meditate on the word and speak it we are activating God s power God s word brings life and creates a spiritual mindset that changes us and the world around us Romans 12 2 As you put these mighty scriptural prayers to work in your own life and in the lives of those around you you will see God moving and activating his Word You no longer need to feel helpless in the face of difficult or painful circumstances You no longer need to miss God s blessings for you and your loved ones You can pray with power Nothing is more powerful than God With *Activating God s Power* we are praying God s Word to overcome and bring us the freedom only found in Christ *Activating God s Power* is a must read for anyone who wants to pray with strength and purpose The faith produced from this book will lead to results not just for ourselves but for the lives around us *Secrets of a Father's Heart* Duane Swilley,2015-05-22 In a world where so many people grow up without a father it s very important that everyone is exposed to a father s heart Whenever my father would come to see me in some athletic church or musical event I would always play my best There was something about a father s supporting caring and loving you that brings the best out in you In this story we see the real heart of a father A father s heart is always relational and it s always about restoration A father s heart cannot really be taught to

you A father's heart has to be shown by example in front of you Then there can be an impartation in your life where you can take on the mantle of a true father
