## **About Face The Essentials Of User Interface Design:**

**About Face 3** Alan Cooper, Robert Reimann, David Cronin, 2007-04-18 This completely updated volume presents the effective and practical tools you need to design great desktop applications Web 2.0 sites and mobile devices. You'll learn the principles of good product behavior and gain an understanding of Cooper's Goal Directed Design method which involves everything from conducting user research to defining your product using personas and scenarios. Ultimately you'll acquire the knowledge to design the best possible digital products and services.

**About Face** Alan Cooper, 1995-08-25 This book is intended to provide the reader with effective and practical tools for designing user interfaces. It integrates tactical and strategic approaches helping the programmer understand how the user comprehends their software.

**About Face** Alan Cooper, Robert Reimann, David Cronin, Christopher Noessel, 2014-09-02 The essential interaction design guide fully revised and updated for the mobile age. *About Face The Essentials of Interaction Design Fourth Edition* is the latest update to the book that shaped and evolved the landscape of interaction design. This comprehensive guide takes the worldwide shift to smartphones and tablets into account. New information includes discussions on mobile apps, touch interfaces, screen size considerations and more. The new full color interior and unique layout better illustrate modern design concepts. The interaction design profession is blooming with the success of design intensive companies priming customers to expect design as a critical ingredient of marketplace success. Consumers have little tolerance for websites, apps and devices that don't live up to their expectations and the responding shift in business philosophy has become widespread. *About Face* is the book that brought interaction design out of the research labs and into the everyday lexicon and the updated Fourth Edition continues to lead the way with ideas and methods relevant to today's design practitioners and developers. Updated information includes Contemporary interface interaction and product design methods, Design for mobile platforms and consumer electronics, State of the art interface recommendations and up to date examples. Updated Goal Directed Design methodology. Designers and developers looking to remain relevant through the current shift in consumer technology habits will find *About Face* to be a comprehensive essential resource.

**About Face**, 2000 **About Face 2.0** Alan Cooper, Robert Reimann, 2003-03-28 The following description is for the second edition of *About Face*. The 3rd Edition *About Face 3* ISBN 0470084111 is now available. First published seven years ago just before the World Wide Web exploded into dominance in the software world, *About Face* rapidly became a bestseller. While the ideas and principles in the original book remain as relevant as ever, the examples in *About Face 2.0* are updated to reflect the evolution of the Web. Interaction Design professionals are constantly seeking to ensure that software and software enabled products are developed with the end user's goals in mind, that is to make them more powerful and enjoyable for people who use them. *About Face 2.0* ensures that these objectives are met with the utmost ease and efficiency. Alan Cooper, Palo Alto, CA has spent a decade making high tech products easier to use and less expensive to build. A practice known as Interaction Design, Cooper is now the leader in this growing field. Mr. Cooper is also the author of

two bestselling books that are widely considered indispensable texts About Face The Essentials of User Interface Design introduced the first comprehensive set of practical design principles The Inmates Are Running the Asylum explains how talented people and companies continually create aggravating high tech products that fail to meet customer expectations Robert Reimann has spent the past 15 years pushing the boundaries of digital products as a designer writer lecturer and consultant He has led dozens of interaction design projects in domains including e commerce portals desktop productivity authoring environments medical and scientific instrumentation wireless and handheld devices for startups and Fortune 500 clients alike Joining Cooper in 1996 Reimann led the development and refinement of many goal directed design methods described in About Face 2.0 He has lectured on these methods at major universities and to international industry audiences He is a member of the advisory board of the UC Berkeley Institute of Design [InfoWorld](#), 1996-05-27 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects [InfoWorld](#), 1996-04-15 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects [Fun and Software](#) Olga
