ABYSSINIA: THE POWDER BARREL

A BOOK ON THE MOST BURNING
QUESTION OF THE DAY

The author of this book was a lawyer in Addis Ababa up to 1934, pleading before the mixed international courts and the consular tribunals of the European states. His disclosures concerning the internal administration of Abyssinia and the possibilities of war furnish a rich fund of fact partly taken from official sources. What the author here says has been confirmed by recent happenings, and what he says about the future is therefore worthy of careful consideration.

Persecution, Migration, and Nationalism Mesganaw Mihiret, 2024-12-21 This book investigates how first generation immigrants who identify as Amhara in the United States craft their identities and establish both physical and social spaces for themselves This sits alongside the rise of Amhara ethnic nationalism which aims to counter anti Amhara sentiments and practices embedded in Ethiopia's body politic since the second half of the 19th century The author charts the historical development of the Ethiopian state particularly how Italian colonial era discord contributed to narratives of ethnic hatred toward the Amhara in a multiethnic Ethiopia The book addresses key issues related to the after migration experiences of the Amhara particularly how they engage in placemaking centered on tizita nostalgia a concept that

encompasses remembering memorializing and yearning for places and experiences left behind This holds deep significance in Amhara culture The book explores the rise of nationalism as a response to these dynamics and examines the transnational political processes that shape identity formation Additionally it analyzes how Amhara immigrants replicate cultural landscapes in their new environments The experiences of Amhara immigrants in the USA provide unique insights into broader questions of how national political histories colonial narratives cultural heritage and the negotiation between Western and non Western cultures shape immigrant identity

Historical Dictionary of Ethiopia David H. Shinn, Thomas P.
