Always Changing And Growing Instructions Guide:

GUIDANCE AND COUNSELLING Dr. Mohd Sultan Rather, 2024-10-17 Education is a process that transforms the way people think feel and behave thereby extracting the best in them to lead a meaningful and successful life. It is not only about learning knowledge. The scientific foundation for counseling and guiding programs is one of the book's main concerns. It underlines the vital part that direction plays not only in the whole personal growth of people but also in the educational system. Examining the fundamental ideas of direction the book emphasizes why it is so important in modern colleges and other educational environments. The several services offered in school guidance programs the function of counselors and the requirement of knowing students' particular needs for promoting their intellectual emotional and social development are discussed.
